Instructions for Public Participation in CSLB Teleconference Meeting

The instructions below are for members of the public who want to participate in CSLB's upcoming teleconference meeting, being held via Cisco WebEx. The registration link is on the meeting agenda. There are two ways for you to participate:

1. With Computer, Tablet, or Smart Phone with WebEx
2. With Telephone, not over WebEx

Instructions for each are outlined below.

Please note: In order to participate with a computer, tablet, or smart phone you may need to install a software program. If registering before the meeting, please load this on your computer, tablet, or smart phone at that time. If not, please join at least 15-30 minutes before the meeting starts to give you time to do this.

You also will find specifics on how to offer public comment below.

2. Once you've made your selection, enter a name and email address in the appropriate fields.

Please note that the name and email address **do not** have to be your real identity. But, the meeting host will use the name you enter to let you know when it is your turn to speak during the meeting. So, if you use a different name to identify yourself, be sure to remember that name when you are called upon to speak.

3. When joining the meeting, you will choose how you want to get audio. Your choices are: Through your computer; have WebEx call your phone; or you call WebEx. The phone numbers and meeting access code are provided on the meeting agenda.

To Join with Telephone (Not over WebEx)

Call one of the two phone numbers provided on the meeting agenda. Enter the meeting access code when prompted.

To Offer Public Comment During the Meeting

There will be a public comment section during the meeting. The public also will have the opportunity to offer comment during each agenda item.

For those listening to phone and not on WebEx

If you want to offer public comment, press *3 on your phone to raise your hand. You'll hear the prompt, "You have raised your hand to ask a question. Please wait to speak until the meeting host calls on you." If you no longer want to comment, or after the host calls upon you, press *3 again to lower your hand. You will hear a message, "You have lowered your hand."

When the host calls on you to offer your comment, your line will be unmuted, and you will be able comment. At the end of your comment, or when your allotted time ends, the line will again be muted. During the meeting, the chair will announce the time to be allotted for each public comment.

For those on WebEx with Computer, Tablet, or Smart Phone

Throughout the meeting, any members of the public may indicate they would like to offer comment on a specific agenda item.

Be sure to activate your Q&A feature at the bottom right of your screen.

If you would like to offer public comment on a specific agenda item, send the host a message at any time during that item stating:

“I would like to make a comment on this item.”

The host will call on the public in the order requests are received. When it is your turn, the host will announce your name, or the name you indicated when you registered, and will unmute your line, allowing you to make your public comment.

At the end of your comment, or when your allotted time ends, the line will again be muted. During the meeting, the chair will announce the time allotted for each public comment. The host will note this in the chat as well.

Leaving the Meeting

At either the conclusion of the meeting, or anytime you wish to leave, you can do so by clicking on the red circle with X in it at the bottom of your screen. After confirming, you will be disconnected from the meeting.

For those calling in on telephone without WebEx, simply hang up.
