

Accommodation Request for Examination

In compliance with Title 2 under the federal Americans with Disabilities Act (ADA), and California Fair Employment and Housing Act (Government Code §12900-12996), the Contractors State License Board (CSLB) provides applicants with disabilities with the reasonable accommodations that they need. It is the applicant's responsibility to notify CSLB of alternative arrangements needed to enable them to take the licensure examinations. CSLB is not required to provide accommodations if we are unaware of the needs of examination candidates. The information requested below and any documentation regarding your disability will be strictly confidential, and

will not be shared with any outside source without your express written permission unless required to be disclosed pursuant to subpoena or under state or federal law.

CSLB administers examinations in Test Centers throughout the state. All locations are wheelchair accessible. Examinations are taken on a touchscreen computer at an individual testing station (desk). Candidates select their answers by touching the screen. If you have any questions or need assistance determining whether you may require accommodations, please call 1-800-321-2752 (CSLB).
