**CSLB #21-10**

Dear Valued Stakeholder,

The Contractors State Licensing Board (Board) is beginning the development of its Strategic Plan for 2022-2025. The Department of Consumer Affairs' SOLID Planning Solutions is assisting the Board with its strategic planning process.

As a stakeholder involved in the construction industry, you have an important perspective and stake in the success of the Board. Your completed survey will provide input as to how the Board is doing by identifying strengths, challenges, and current trends to consider for the future direction of the Board.

Thank you for taking time to participate in this short survey. All responses are anonymous. This will allow us to add your feedback to our analysis as we prepare our strategic plan.
