California Code of Regulations

Title 16, Division 8

Article 3. Classification

§832.47. Class C-47 – General Manufactured Housing Contractor.

(a) A general manufactured housing contractor installs, alters, repairs, or prepares for moving any type of manufactured home as defined in Section 18007 of the Health and Safety Code, any type of mobilehome as defined in Section 18008 of the Health and Safety Code, and any type of multifamily manufactured home as defined in Section 18008.7 of the Health and Safety Code, including the accessory buildings or structures, and the foundations. A manufactured home does not include any recreational vehicle, commercial coach, or factory-built housing as defined in Section 19971 of the Health and Safety Code.

(b) A general manufactured housing contractor may provide utility services on a single-family individual site placement. Utility services mean the connection of gas, water, sewer, and electrical utilities to the home.
