3. This Accusation is brought before the Registrar of the Board under the authority of the following laws. All section references are to the Business and Professions Code ("Code") unless otherwise indicated.

4. Section 118, subdivision (b), of the Code provides that the expiration of a license shall not deprive the Registrar of jurisdiction to proceed with a disciplinary action during the period within which the license may be renewed, restored, reissued or reinstated. Under Code section 7076.1, the Registrar may reinstate a cancelled license if the licensee pays all of the fees and meets all of the qualifications and requirements for obtaining an original license.

5. Section 7076.5 of the Code provides that the inactive status of a license shall not bar any disciplinary action for violating provisions of the Contractors' State License Law (Bus. & Prof. Code, § 7000, et seq.).

6. Section 7090 of the Code provides that the Registrar may suspend or revoke any license or registration if the licensee or registrant is guilty of or commits any one or more of the acts or omissions constituting cause for disciplinary action.

7. Section 7095 of the Code provides that the Registrar in making his order may:

(a) Provide for the immediate complete suspension by the licensee of all operations as a contractor during the period fixed by the decision.

(b) Permit the licensee to complete any or all contracts shown by competent evidence taken at the hearing to be then uncompleted.

(c) Impose upon the licensee compliance with such specific conditions as may be just in connection with its operations as a contractor disclosed at the hearing, and may further provide that until such conditions are complied with, no application for restoration of the suspended or revoked license shall be accepted by the Registrar.

8. 9. Section 7106.5 of the Code provides that the expiration, cancellation, forfeiture, or suspension of a license by operation of law or by order or decision of the registrar, or a court of

law, or the voluntary surrender of the license shall not deprive the registrar of jurisdiction to proceed with any investigation of or action or disciplinary proceeding against the license, or to render a decision suspending or revoking the license.

10. Section 7121 of the Code states:

> A person who has been denied a license for a reason other than failure to document sufficient satisfactory experience for a supplemental classification for an existing license, or who has had his or her license revoked, or whose license is under suspension, or who has failed to renew his or her license while it was under suspension, or who has been a partner, officer, director, manager, or associate of any partnership, corporation, limited liability company, firm, or association whose application for a license has been denied for a reason other than failure to document sufficient satisfactory experience for a supplemental classification for an existing license, or whose license has been revoked, or whose license is under suspension, or who has failed to renew a license while it was under suspension, and while acting as a partner, officer, director, manager, or associate had knowledge of or participated in any of the prohibited acts for which the license was denied, suspended, or revoked, shall be prohibited from serving as an officer, director, associate, partner, manager, qualifying individual, or member of the personnel of record of a licensee, and the employment, election, or association of this type of person by a licensee in any capacity other than as a nonsupervising bona fide employee shall constitute grounds for disciplinary action.

11. Section 7121.5 of the Code states:

> A person who was the qualifying individual on a revoked license, or of a license under suspension, or of a license that was not renewed while it was under suspension, shall be prohibited from serving as an officer, director, associate, partner, manager, or qualifying individual of a licensee, whether or not the individual had knowledge of or participated in the prohibited acts or omissions for which the license was revoked, or suspended, and the employment, election, or association of that person by a licensee shall constitute grounds for disciplinary action.

12. Section 7122 of the Code states:

> The performance by an individual, partnership, corporation, limited liability company, firm, or association of an act or omission constituting a cause for disciplinary action, likewise constitutes a cause for disciplinary action against a licensee other than the individual qualifying on behalf of the individual or entity, if the licensee was a partner, officer, director, manager, or associate of that individual, partnership, corporation, limited liability company, firm, or association at the time the act or omission occurred, and had knowledge of or participated in the prohibited act or omission.

14. Section 7141 of the Code states:

(a) Except as otherwise provided in this chapter, a license that has expired may be renewed at any time within five years after its expiration by filing an application for renewal on a form prescribed by the registrar and payment of the appropriate renewal fee. Renewal under this section shall be effective on the date an acceptable renewal application is filed with the board. The licensee shall be considered unlicensed and there will be a break in the licensing time between the expiration date and the date the renewal becomes effective. Except as provided in subdivision (b), if the license is renewed after the expiration date, the licensee shall also pay the delinquency fee prescribed by this chapter.

(b) An incomplete renewal application that had originally been submitted on or before the license expiration date shall be returned to the licensee by the registrar with an explanation of the reasons for its rejection. If a corrected and acceptable renewal application is not returned within 30 days after the license expiration date, the delinquency fee shall apply. The 30 day grace period shall apply only to the delinquency fee. The license shall reflect an expired status for any period between the expiration date and the date of submission of a correct and acceptable renewal application.

(c) If so renewed, the license shall continue in effect through the date provided in Section 7140 that next occurs after the effective date of the renewal, when it shallexpire if it is not again renewed.
