PERSONNEL OF RECORD

4. "Members of the personnel of record" of a corporation that holds a contractor's license is defined in Business and Professions Code section 7025 and "means every person listed in the records of the registrar as then associated with a licensee." Respondent Bright Planet is a corporation organized under the laws of California, and has listed the following individuals as associated personnel, which are of record with the Board and not named as respondents herein: Adam Robert Geverts became the RME on February 8, 2024.

JURISDICTION

5. This First Amended Accusation is brought before the Registrar for the Board, under the authority of the following laws. All section references are to the Business and Professions Code (Code) unless otherwise indicated.

6. Section 118, subdivision (b), of the Code, states:

The suspension, expiration, or forfeiture by operation of law of a license issued by a board in the department, or its suspension, forfeiture, or cancellation by order of the board or by order of a court of law, or its surrender without the written consent of the board, shall not, during any period in which it may be renewed, restored, reissued, or reinstated, deprive the board of its authority to institute or continue a disciplinary proceeding against the licensee upon any ground provided by law or to enter an order suspending or revoking the license or otherwise taking disciplinary action against the

licensee on any such ground.

7. Section 7076.5, subdivision (h), of the Code states:

The inactive status of a license shall not bar any disciplinary action by the board against a licensee for any of the causes stated in this chapter.

8. Section 7090 of the Code provides, in pertinent part, that the Registrar may suspend or revoke any license or registration if the licensee or registrant is guilty of or commits any one or more of the acts or omissions constituting cause for disciplinary action.

9. Section 7106.5 of the Code states:

The expiration, cancellation, forfeiture, revocation, or suspension of a license by operation of law or by order or decision of the registrar or a court of law, or the voluntary surrender of a license by a licensee, shall not deprive the registrar of jurisdiction to proceed with any investigation of or action or disciplinary proceeding against the license, or to render a decision suspending or revoking the license.

10. Section 7121 of the Code states:

A person who has been denied a license for a reason other than failure to document sufficient satisfactory experience for a supplemental classification for an existing license, or who has had his or her license revoked, or whose license is under suspension, or who has failed to renew his or her license while it was under suspension, or who has been a partner, officer, director, manager, or associate of any partnership, corporation, limited liability company, firm, or association whose application for a license has been denied for a reason other than failure to document sufficient satisfactory experience for a supplemental classification for an existing license, or whose license has been revoked, or whose license is under suspension, or who has failed to renew a license while it was under suspension, and while acting as a partner, officer, director, manager, or associate had knowledge of or participated in any of the prohibited acts for which the license was denied, suspended, or revoked, shall be prohibited from serving as an officer, director, associate, partner, manager, qualifying individual, or member of the personnel of record of a licensee, and the employment, election, or association of this type of person by a licensee in any capacity other than as a nonsupervising bona fide employee shall constitute grounds for disciplinary action.

11. Section 7121.5 of the Code states:

A person who was the qualifying individual on a revoked license, or of a license under suspension, or of a license that was not renewed while it was under suspension, shall be prohibited from serving as an officer, director, associate, partner, manager, or qualifying individual of a licensee, whether or not the individual had knowledge of or participated in the prohibited acts or omissions for which the license was revoked, or suspended, and the employment, election, or association of that person by a licensee shall constitute grounds for disciplinary action.

STATUTORY PROVISIONS

12. Section 7068.1, subdivision (a), of the Code states, in pertinent part:

The person qualifying on behalf of an individual or firm under paragraph (1), (2), (3), or (4) of subdivision (b) of Section 7068 shall be responsible for exercising that direct supervision and control of his or her employer's or principal's construction operations to secure compliance with this chapter and the rules and regulations of the board.

13. Section 7107 of the Code states:

Abandonment without legal excuse of any construction project or operation engaged in or undertaken by the licensee as a contractor constitutes a cause for disciplinary action.

14. Section 7113 of the Code states:

Failure in a material respect on the part of a licensee to complete any construction project or operation for the price stated in the contract for such construction project or operation or in any modification of such contract constitutes a cause for disciplinary action.

15. Section 7115 of the Code states:

Failure in any material respect to comply with the provisions of this chapter, or any rule or regulation adopted pursuant to this chapter, or to comply with the provisions of Section 7106 of the Public Contract Code, constitutes a cause for disciplinary action.

16. Section 7119 of the Code states:

Wilful failure or refusal without legal excuse on the part of a licensee as a contractor to prosecute a construction project or operation with reasonable diligence causing material injury to another constitutes a cause for disciplinary action.

17. Section 7122 of the Code states:

The performance by an individual, partnership, corporation, limited liability company, firm, or association of an act or omission constituting a cause for disciplinary action, likewise constitutes a cause for disciplinary action against a licensee other than the individual qualifying on behalf of the individual or entity, if the licensee was a partner, officer, director, manager, or associate of that individual, partnership, corporation, limited liability company, firm, or association at the time the act or omission occurred, and had knowledge of or participated in the prohibited act or omission.

18. Section 7154, subdivision (d), of the Code states:

...

(d) A home improvement contractor who employs a person to sell home

improvement contracts while that person is not registered by the registrar as a home improvement salesperson as provided in this article, is subject to disciplinary action by the registrar.

...

19. Section 7159 of the Code states, in pertinent part:

(a)(1) This section identifies the projects for which a home improvement contract is required, outlines the contract requirements, and lists the items that shall be included in the contract, or may be provided as an attachment.

...

(c) In addition to the specific requirements listed under this section, every home improvement contract and any person subject to licensure under this chapter or their agent or salesperson shall comply with all of the following:

...

(6) The contract shall contain, in close proximity to the signatures of the owner and contractor, a notice stating that the owner or tenant has the right to require the contractor to have a performance and payment bond.

...

(e) Except as provided in paragraph (8) of subdivision (a) of Section 7159.5, all of the following notices shall be provided to the owner as part of the contract form as specified or, if otherwise authorized under this subdivision, may be provided as an attachment to the contract:

...

(4) A notice with the heading "Mechanics Lien Warning" written as follows:

"MECHANICS LIEN WARNING:

Anyone who helps improve your property, but who is not paid, may record what is called a mechanics lien on your property. A mechanics lien is a claim, like a mortgage or home equity loan, made against your property and recorded with the county recorder.

Even if you pay your contractor in full, unpaid subcontractors, suppliers, and laborers who helped to improve your property may record mechanics liens and sue you in court to foreclose the lien. If a court finds the lien is valid, you could be forced to pay twice or have a court officer sell your home to pay the lien. Liens can also affect your credit.

To preserve their right to record a lien, each subcontractor and material supplier must provide you with a document called a 'Preliminary Notice.' This notice is not a lien. The purpose of the notice is to let you know that the person who sends you the notice has the right to record a lien on your property if he or she is not paid.

BE CAREFUL. The Preliminary Notice can be sent up to 20 days after the subcontractor starts work or the supplier provides material. This can be a big problem

1 if you pay your contractor before you have received the Preliminary Notices.

2 You will not get Preliminary Notices from your prime contractor or from
3 laborers who work on your project. The law assumes that you already know they are
4 improving your property.

5 PROTECT YOURSELF FROM LIENS. You can protect yourself from liens by
6 getting a list from your contractor of all the subcontractors and material suppliers that
7 work on your project. Find out from your contractor when these subcontractors
8 started work and when these suppliers delivered goods or materials. Then wait 20
9 days, paying attention to the Preliminary Notices you receive.

10 PAY WITH JOINT CHECKS. One way to protect yourself is to pay with a
11 joint check. When your contractor tells you it is time to pay for the work of a
12 subcontractor or supplier who has provided you with a Preliminary Notice, write a
13 joint check payable to both the contractor and the subcontractor or material supplier.

14 For other ways to prevent liens, visit CSLB's Internet Web site at
15 www.cslb.ca.gov or call CSLB at 800-321-CSLB (2752).

16 REMEMBER, IF YOU DO NOTHING, YOU RISK HAVING A LIEN
17 PLACED ON YOUR HOME. This can mean that you may have to pay twice, or face
18 the forced sale of your home to pay what you owe."

19 **COST RECOVERY, RESTITUTION AND OTHER AUTHORITY**

20 20. Section 125.3 of the Code states, in pertinent part:

21 (a) Except as otherwise provided by law, in any order issued in resolution of a
22 disciplinary proceeding before any board within the department or before the
23 Osteopathic Medical Board, upon request of the entity bringing the proceeding, the
24 administrative law judge may direct a licentiate found to have committed a violation
25 or violations of the licensing act to pay a sum not to exceed the reasonable costs of
26 the investigation and enforcement of the case.

27 (b) In the case of a disciplined licentiate that is a corporation or a partnership,
28 the order may be made against the licensed corporate entity or licensed partnership.

30 21. Section 11519 of the Government Code states:

31 (a) The decision shall become effective 30 days after it is delivered or mailed to
32 respondent unless: a reconsideration is ordered within that time, or the agency itself
33 orders that the decision shall become effective sooner, or a stay of execution is
34 granted.

35 (b) A stay of execution may be included in the decision or if not included
36 therein may be granted by the agency at any time before the decision becomes
37 effective. The stay of execution provided herein may be accompanied by an express
38 condition that respondent comply with specified terms of probation provided;
provided, however, that the terms of probation shall be just as reasonable in light of
the findings and decision.

(c) If respondent was required to register with any public officer, a notification

of any suspension or revocation shall be sent to the officer after the decision has become effective.

(d) As used in subdivision (b), specified terms of probation may include an order of restitution. Where restitution is ordered and paid pursuant to the provisions of this subdivision, the amount paid shall be credited to any subsequent judgment in a civil action.

(e) The person to which the agency action is directed may not be required to comply with a decision unless the person has been served with the decision in the manner provided in Section 11505 or has actual knowledge of the decision.

(f) A nonparty may not be required to comply with a decision unless the agency has made the decision available for public inspection and copying or the nonparty has actual knowledge of the decision.

(g) This section does not preclude an agency from taking immediate action to protect the public interest in accordance with Article 13 (commencing with Section 11460.10) of Chapter 4.5.

22. Section 143.5, subdivision (b), of the Code states:

Any board, bureau, or program within the Department of Consumer Affairs that takes disciplinary action against a licensee or licensees based on a complaint or report that has also been the subject of a civil action and that has been settled for monetary damages providing for full and final satisfaction of the parties may not require its licensee or licensees to pay any additional sums to the benefit of any plaintiff in the civil action.

23. Section 7095 of the Code states:

The decision may:

(a) Provide for the immediate complete suspension by the licensee of all operations as a contractor during the period fixed by the decision.

(b) Permit the licensee to complete any or all contracts shown by competent evidence taken at the hearing to be then uncompleted.

(c) Impose upon the licensee compliance with such specific conditions as may be just in connection with his operations as a contractor disclosed at the hearing and may further provide that until such conditions are complied with no application for restoration of the suspended or revoked licensee shall be accepted by the registrar.

24. Section 7097 of the Code states:

Notwithstanding the provisions of Sections 7121 and 7122, when any licensee has been suspended by a decision of the registrar pursuant to an accusation or pursuant to subdivision (b) of Section 7071.17, Section 7085.6 or 7090.1, any additional license issued under this chapter [the Contractors' State License Law] in the name of the licensee or for which the licensee furnished qualifying experience and appearance under the provisions of Section 7068, may be suspended by the registrar without further notice.

1 25. Section 7098 of the Code states:

2 Notwithstanding the provisions of Sections 7121 and 7122, when any license
3 has been revoked under the provisions of this chapter [the Contractors' State License
4 Law], any additional license issued under this chapter in the name of the licensee or
 for which the licensee furnished qualifying experience and appearance under the
 provisions of Section 7068, may be revoked by the registrar without further notice.

5 26. Section 7102 of the Code states:

6 After suspension of a license upon any of the grounds set forth in this chapter
7 [the Contractors' State License Law], the registrar may reinstate the license upon
8 proof of compliance by the contractor with all provisions of the decision as to
 reinstatement or, in the absence of a decision or any provisions of reinstatement, in
 the sound discretion of the registrar.

9 After revocation of a license upon any of the grounds set forth in this chapter,
10 the license shall not be reinstated or reissued and a license shall not be issued to any
11 member of the personnel of the revoked licensee found to have had knowledge of or
12 participated in the acts or omissions constituting grounds for revocation, within a
13 minimum period of one year and a maximum period of five years after the final
 decision of revocation and then only on proper showing that all loss caused by the act
 or omission for which the license was revoked has been fully satisfied and that all
 conditions imposed by the decision of revocation have been complied with.

14 The board shall promulgate regulations covering the criteria to be considered
15 when extending the minimum one-year period. The criteria shall give due
 consideration to the appropriateness of the extension of time with respect to the
 following factors:

16 (a) The gravity of the violation.

17 (b) The history of previous violations.

18 (c) Criminal convictions.

19 When any loss has been reduced to a monetary obligation or debt, however, the
20 satisfaction of the monetary obligation or debt as a prerequisite for the issuance,
21 reissuance, or reinstatement of a license shall not be required to the extent the
22 monetary obligation or debt was discharged in a bankruptcy proceeding. However,
 any nonmonetary condition not discharged in a bankruptcy proceeding shall be
 complied with prior to the issuance, the reissuance, or reinstatement of the license.

December 2, 2022, and April 29, 2023, J.R. paid five payments of \$229.10 towards the project to GoodLeap, for a total of \$1,145.50.
