Welcome to the Contractors State License Board

The Contractors State License Board (CSLB) protects California consumers by licensing and regulating the state's construction industry. CSLB was established in 1929 and today licenses about 290,000 contractors in 44 different classifications.

Please Note:

- Use Q&A Feature to Ask a Question
- Send Your Questions to “All Panelists”
- Please Wait to Ask Questions about Experience & Education/Military Credit

The screenshot shows a window titled "Q&A" with a close button in the top right corner. Below the title bar, it says "All (0)". At the bottom of the window, there is a dropdown menu labeled "Ask:" with "All Panelists" selected. Below the dropdown is a text input field with the placeholder text "Select a panelist in the Ask menu first and then type your question". To the right of the input field is a "Send" button.

Test Site Policy

This is a closed-book examination. No reference materials may be used during the examination. All materials brought to the examination site must be left in an unmonitored area at your own risk.

Test Strategy

This is a multiple-choice examination with four choices per question. Examination questions are written to provide only one BEST answer. Some questions require mathematical computation. A calculator will be provided.

There is no penalty for guessing. If you are unsure about a particular question, it is better to try to answer the question than to leave the question blank.

Plenty of time is provided to answer all examination questions, so be sure to read each question and its four choices completely and carefully before selecting the BEST possible answer to the question.

Sample Questions

Below are three typical examination questions. The correct answer is underlined.

1. What information must be included in a stop notice?
