IMPORTANT NOTICE REGARDING CONVICTIONS
PLEASE READ CAREFULLY

As part of the Contractors State License Board (CSLB) application process and as required by law, you must be fingerprinted if you have not been fingerprinted by CSLB before or if your previous fingerprint record was purged by CSLB due to a voided application; disassociated, revoked, or cancelled license or registration; or for some other reason. After an application is accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, usually via live scan electronic transmission.

Your fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. If you have ever been convicted of a crime, your criminal record information will be reported to CSLB. This includes DUIs and other Vehicle Code violations resulting in a conviction. Even if you pled “no contest,” had the conviction set aside, or judgment deferred pursuant to Penal Code sections 1000 or 1203.4 (commonly understood as “expunged”), the past conviction will still be reported to CSLB.

Under certain circumstances, CSLB may request that you provide mitigating information regarding your criminal history by completing and submitting the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB’s website on the Forms and Applications page. CSLB’s Criminal Background Unit will contact you if it is requesting this additional information. If so, you can complete the disclosure and send an email scan of it to CBU@cslb.ca.gov or fax to 916-255-4135. Please note, completing the form or any other disclosure of mitigating evidence is voluntary, and you may choose not to disclose any information. Your choice not to disclose information shall not be a factor in a board’s decision to grant or deny your application for licensure. (See Bus. & Prof. Code, § 480(f)(2)).

Applicants with criminal convictions are not automatically denied licensure – each application is reviewed individually based on the applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant. CSLB has several regulations to review criminal convictions, including Title 16 of the California Code of Regulations sections 868, 868.1, and 869. Section 868 guides how to evaluate whether a crime is substantially related to the qualifications, duties, or functions of a licensee or registrant; Section 868.1 guides whether a felony financial crime is directly and adversely related to the fiduciary qualifications, duties, or functions of a licensee or registrant; and Section 869 guides whether an applicant has made a showing of rehabilitation.

For rehabilitation evaluation, in addition to other evidence of rehabilitation, CSLB is generally looking at how much time has passed since the conviction without further violations of law.

General Information

Listed below is general information to assist you as you complete the attached application. **Do not submit this General Information portion with your completed application** – the actual application begins immediately following this section on Application – Page 1 of 2. Before you submit your application, please review it and be sure that you have completed all requested information. **Your application may be returned to you if it is insufficient or incomplete.** You must provide any missing information, make corrections, and resubmit your completed application to CSLB within **90 days** after the date that it was returned to you or your application will be deemed abandoned and will become void. You cannot reinstate an abandoned application – you must submit a new application and $125 application fee if you wish to reapply.

Complete the application legibly in black or dark blue ink or on CSLB’s website using the Easy-Fill feature. Forms completed in pencil will be returned to you. Please make sure that you and other authorized individuals sign and date the application. **Leave no space blank.** If a particular question or request for information does not apply to you, write “N/A” in the blank space to indicate that the question has received your attention but that it is not applicable. The “#” symbol is used interchangeably with the word “number” where space is limited on the application.

**Limited Liability Company (LLC) Personnel and Liability Insurance Requirement**

If the existing license is an LLC, be aware that all LLC licenses are required to have liability insurance in an amount that is not less than one million dollars ($1,000,000) or more than five million dollars ($5,000,000), based on the number of personnel of record on the license. For five (5) or fewer personnel, the amount is not less than $1 million. For each additional member of the personnel, the amount increases $100,000, up to $5 million maximum. For example, an LLC that has eight (8) members of personnel would be required to carry a $1,300,000 liability insurance policy. Therefore, the additional personnel being added with this application may result in the need to increase the amount of the liability insurance. *(Business and Professions Code [BPC] section 7071.19)*

LLCs can have managers or members that are corporations or other LLCs, as opposed to individual people. When an LLC has corporate or LLC managers or members, complete Section 2 for those companies, omitting the fields that do not apply (e.g., date of birth, SSN/ITIN, and driver license number). Since corporations and LLCs are incapable of signing documents (e.g., applications, renewals, etc.), you must also report at least one individual person who will be an authorized responsible signer for that company. To do this, you must make a copy of Page 1 of the application after Section 1 has been completed and fill in portions of Section 2 using this individual person’s personal information. Identify that person as the “Authorized Signer for ______” (inserting the name of the corporation or LLC on behalf of which the individual person will sign). This individual person will not be part of the official license personnel of record (unless they are also an actual responsible manager, member, or officer of the LLC), but their information will be maintained by CSLB for signing purposes only.

**Fingerprint Requirement**

**Please be sure to read the Important Notice Regarding Convictions on the front of this application packet.** All applicants for licensure are required to submit a full set of fingerprints for the purpose of conducting a criminal background check. Even though you may have been fingerprinted previously for an employer or another regulatory body, you will need to undergo the fingerprinting and criminal history check process again specifically for CSLB, unless you have previously fingerprinted for CSLB and the results are still available and active on record with CSLB. California Penal Code section 11142 prohibits criminal history information from being released to any entity other than the requesting agency that you have authorized to receive it. Individuals in California are required to fingerprint by electronic live scan; individuals outside of California can fingerprint either by electronic live scan in California or by submitting hard card fingerprints that are completed in the applicant’s location, as explained in the instructions that are sent after the application has been accepted (also known as “posted”). For more information, please visit CSLB’s website and view information on the Applicants page.

10. To the best of your knowledge, are you (or any company that you are or were a part of) named in or responsible for any unsatisfied final judgments, liens, and/or claims against any bond or cash deposit pertaining to a construction project?
   If you checked “Yes” for this question, you are required to attach a statement identifying all judgments (pending or on record), liens, past due unpaid bills, claims, or suits and a detailed explanation of the situation. Include the names and addresses of the parties involved. If the obligation was or is being discharged in bankruptcy, attach a copy of the bankruptcy filing and a copy of the creditors list.

11. Have you (or any company that you are or were a part of, or any immediate family member of the applicant) ever received a citation from CSLB or had a contractor license or other professional or vocational license or registration denied, suspended, revoked, or otherwise disciplined by this state or elsewhere (i.e., other U.S. state, U.S. territory, agency of the federal government, or other country)?
   For the purposes of responding to this question, “disciplined” is an administrative action that resulted in a restriction or penalty being placed on any license you have or have possessed, such as a revocation, suspension, probation, or reprimand.
   (Check “No” if the license or registration was suspended due to lack of a bond, workers’ compensation or other required insurance, a qualifier, or family support.)

In relation to BOE liabilities, you must indicate if you have entered into an installment payment agreement for that liability with the BOE and provide verification that you are in compliance with the terms of that agreement, if applicable.

STATE TAX AND OTHER OBLIGATIONS NOTICE

The State Board of Equalization and Franchise Tax Board may share taxpayer information with CSLB. You are obligated to pay your state tax obligation. CSLB may suspend or refuse to issue, reactivate, reinstate, or renew a license if your state tax obligation, child support obligation, or any outstanding final liability to CSLB, the Department of Industrial Relations, or the Employment Development Department is not paid.
