IMPORTANT NOTICE

Dear Applicant:

Enclosed is the application you requested from the Contractors State License Board (CSLB).

Please be aware that nearly half of all applications submitted to CSLB are inaccurate or incomplete and must be returned to the applicant for correction or completion!

Please complete your application in its entirety to help ensure that your application is accepted for processing by CSLB.

After an application has been accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, as required by law. (*Business and Professions Code sections 144 and 7069*)

An incomplete application can needlessly delay your license. Delays can last several weeks or even months and possibly result in the application being deemed abandoned and becoming void and the application fee being forfeited. (*Business and Professions Code sections 7074 and 7138 and Title 16, California Code of Regulations section 813*)

Spending a few extra minutes now may save you weeks or months later!

Before you submit your application, follow these simple directions.

- Sign the form.
- Fill out all applicable information.

Carefully read the General Information and Instructions that immediately precede the application package and follow the specific instructions that are contained throughout the application to help ensure that your application is complete and accurate.

Please be aware that there are no schools or application preparation organizations that are affiliated with or agents of CSLB, although some may have company names that are confusingly similar to CSLB. If you discover that an organization has misrepresented itself as being CSLB, you should submit a complaint to CSLB or the California Department of Consumer Affairs. Official CSLB examination study guides are available free of charge on CSLB’s website and are mailed to applicants when they are scheduled for exams.
IMPORTANT NOTICE REGARDING CONVICTIONS
PLEASE READ CAREFULLY

As part of the Contractors State License Board (CSLB) application process and as required by law, you must be fingerprinted if you have not been fingerprinted by CSLB before or if your previous fingerprint record was purged by CSLB due to a voided application; disassociated, revoked, or cancelled license or registration; or for some other reason. After an application is accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, usually via live scan electronic transmission.

Your fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. If you have ever been convicted of a crime, your criminal record information will be reported to CSLB. This includes DUlIs and other Vehicle Code violations resulting in a conviction. Even if you pled “no contest,” had the conviction set aside, or judgment deferred pursuant to Penal Code sections 1000 or 1203.4 (commonly understood as “expunged”), the past conviction will still be reported to CSLB.

Under certain circumstances, CSLB may request that you provide mitigating information regarding your criminal history by completing and submitting the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB’s website on the Forms and Applications page. CSLB’s Criminal Background Unit will contact you if it is requesting this additional information. If so, you can complete the disclosure and send an email scan of it to CBU@cslb.ca.gov or fax to 916-255-4135. Please note, completing the form or any other disclosure of mitigating evidence is voluntary, and you may choose not to disclose any information. Your choice not to disclose information shall not be a factor in a board’s decision to grant or deny your application for licensure. (See Bus. & Prof. Code, § 480(f)(2).)

Applicants with criminal convictions are not automatically denied licensure – each application is reviewed individually based on the applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant. CSLB has several regulations to review criminal convictions, including Title 16 of the California Code of Regulations sections 868, 868.1, and 869. Section 868 guides how to evaluate whether a crime is substantially related to the qualifications, duties, or functions of a licensee or registrant; Section 868.1 guides whether a felony financial crime is directly and adversely related to the fiduciary qualifications, duties, or functions of a licensee or registrant; and Section 869 guides whether an applicant has made a showing of rehabilitation.

For rehabilitation evaluation, in addition to other evidence of rehabilitation, CSLB is generally looking at how much time has passed since the conviction without further violations of law.
APPLICATION FOR HAZARDOUS SUBSTANCE REMOVAL
AND REMEDIAL ACTIONS CERTIFICATION

General Information and Instructions

Listed below is general information to assist you as you complete the attached application. Detailed instructions are provided on the application. For more information about the Contractors State License Board’s (CSLB) hazardous substance removal and remedial actions certification, please refer to Business and Professions Code (BPC) section 7058.7 (see below for an excerpt).

Contractors who perform hazardous substance removal work at specific sites, including the installation or removal of underground storage tanks, must complete this application and pass the examination for hazardous substances certification to add the certification to their existing licenses. Eligibility for this certification is limited to licenses having the following classifications:

- A – General Engineering
- B – General Building
- C-12 – Earthwork and Paving
- C-36 – Plumbing
- C-57 – Well Drilling
- C-61/D-40 – Limited Specialty category for Service Station Equipment and Maintenance

Do not submit this General Information and Instructions section with your completed application – the actual application begins immediately following this section on Application – Page 1 of 2. Before you submit your application, please review and be sure that you have complied with the following items.

- Enclose the nonrefundable $83 application fee with your completed application to add the hazardous substance removal and remedial actions certification to an existing license. CSLB cannot process your application without the appropriate fee made payable to the Registrar of Contractors. (BPC section 7138 and Title 16, California Code of Regulations [T16 CCR] section 811)
- Your application may be returned to you if it is insufficient or incomplete. You must provide any missing information, make corrections, and resubmit your completed application to CSLB within 90 days after the date that it was returned to you or your application will be deemed abandoned and become void. You cannot reinstate a void application – you must submit a new application and $83 application fee if you wish to reapply.
- Your license must be in good standing (i.e., renewed active or inactive, but not expired or suspended) before the certification can be added.
- Leave no space blank. If a particular question or request for information does not apply to you, write “N/A” in the blank space to indicate that the question has received your attention but that it is not applicable.

Complete the application and all accompanying forms legibly in black or dark blue ink, with a typewriter, or on CSLB’s website using the form-fill feature. Forms completed in pencil will be returned to you. Please make sure that you and other authorized individuals sign and date the forms, where applicable.

BPC SECTION 7058.7 EXCERPT

BPC section 7058.7 states, in part, “(a) No contractor may engage in a removal or remedial action, as defined in subdivision (d), unless the qualifier for the license has passed an approved hazardous substance certification examination.

* * *

(d) For purposes of this section ‘removal or remedial action’ has the same meaning as found in Chapter 6.8 (commencing with Section 25300) of Division 20 of the Health and Safety Code, if the action requires the contractor to dig into the surface of the earth and remove the dug material and the action is at a site listed pursuant to Section 25356 of the Health and Safety Code or any other site listed as a hazardous substance release site by the Department of Toxic Substances Control or a site listed on the National Priorities List compiled pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. Sec. 9601 et seq.). ‘Removal or remedial action’ does not include asbestos-related work, as defined in Section 6501.8 of the Labor Code, or work related to a hazardous substance spill on a highway.

(e) (1) A contractor may not install or remove an underground storage tank, unless the contractor has passed the hazardous substance certification examination developed pursuant to this section.

(2) A contractor who is not certified may bid on or contract for the installation or removal of an underground tank, if the work is performed by a contractor who is certified pursuant to this section.
APPLICATION FOR HAZARDOUS SUBSTANCE REMOVAL AND REMEDIAL ACTIONS CERTIFICATION
General Information and Instructions (continued)

(3) For purposes of this subdivision, ‘underground storage tank’ has the same meaning as defined in subdivision (y) of Section 25281 of the Health and Safety Code.”

SECTION 1 – BUSINESS NAME AND ADDRESS

Business Name and Addresses (Boxes 1 - 6)

You must provide the existing business name and addresses as licensed with CSLB, as well as the existing CSLB license number (Box 2). The classifications currently held by the contractor must be listed in Box 3 (see previous page regarding allowable classifications). You are also asked to provide business phone and fax numbers and a business email address.

- Your business address of record (mailing address) is made available to the public – it is published on CSLB’s website and is used for service of all official correspondence, notices, and orders from CSLB, such as renewal notices. P.O. boxes and private mailboxes (PMB) are acceptable for the address of record.
- Your business street address is used only for CSLB’s internal administrative purposes – it is not published on CSLB’s website. P.O. boxes and PMBs are not acceptable for the business street address.
- You are also asked to provide business phone and business fax numbers and a business email address. Your business phone number is published on CSLB’s website – the other contacts are for CSLB internal purposes and for service of official correspondence.

To change your existing license’s business name or address, you must complete and submit the Application to Change Business Name or Address form (13L-4). In accordance with BPC section 7059.1, the business name for a contractor license must not be misleading in relation to the classification(s) issued to that license and must be compatible with the type of business entity licensed.

SECTION 2 – CERTIFICATION APPLICANT (QUALIFIER) FULL LEGAL NAME AND ADDRESS

The qualifying individual on the license must complete the personnel information requested in Section 2 of the application for the hazardous substance removal and remedial actions certification.

- Line 7 – Full legal names are required. You must provide the full legal name of the qualifier. If the individual does not have a middle name, write “None” or “No Middle Name” in the space provided. If they have only an initial for their first or middle name, write “(Initial Only)” after the initial.
- Provide qualifier’s date of birth where requested.
- All applicants are required to provide their U.S. Social Security number (SSN) or individual taxpayer identification number (ITIN) if an individual does not have an SSN.
- Boxes 8 and 9 – You must also provide a residence street address for the qualifier that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website. P.O. boxes and PMBs are not acceptable for the qualifier’s residence street address. Also enter the qualifier’s home phone number, fax number, email address, and driver license number.

SECTION 3 – REQUIRED APPLICATION QUESTIONS

Be sure to include the existing licensee’s business name at the top of Page 2 where requested. All questions must be answered, and all requested explanations and documentation must be provided, or the application will be returned to the applicant for correction. Failure to thoroughly and accurately complete this section of the application can delay the licensure process or result in denial of the application.

Fingerprint Requirement

Please be sure to read the Important Notice Regarding Convictions on the front of this application packet. All applicants for licensure are required to submit a full set of fingerprints for the purpose of conducting a criminal background check. Fingerprints will be compared to the records of the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) to determine whether a criminal history exists. Your hazardous substance removal and remedial actions certification cannot be issued until CSLB receives fingerprint results from both DOJ and FBI. Even though you may have been fingerprinted previously for an employer or another regulatory body, you will need to undergo the fingerprinting and criminal history check process again specifically for CSLB, unless you have previously fingerprinted for CSLB and the results are still available and active on record with CSLB. California Penal Code section 11142 prohibits criminal history information from being released to any entity other than the requesting agency that you have authorized to receive it.

**Please detach this General Information and Instructions section before submitting the completed application to CSLB.**

Military (Questions 13 and 14)

Expedited Processing for Military Personnel and Their Spouses or Domestic Partners
CSLB is required to expedite the licensure process for a sole owner entity applicant who:

- An applicant who was honorably discharged after having served as an active duty member of the Armed Forces of the United States, OR

Please see the military questions (numbers 13 and 14) under Section 3 of the application. If you answer “Yes” to either of the questions and you would like to be considered for this expedited processing, please provide the documentation requested under the question, including evidence of your current military duty (copy of your military orders) or your previous military service (copy of your DD 214 – Certificate of Release or Discharge from Active Duty). Immigration Status Expedites (Question 16)
CSLB is required to expedite the licensure process for a sole owner entity applicant who immigrate to the United States of America in certain circumstances. Please check the “yes” box to question 16 on this application if:

If you selected YES, you must attach evidence of your status as a refugee, asylee, or special immigrant visa holder. Failure to do so may result in application review delays. Acceptable evidence includes:

- Form I-94, Arrival/Departure Record, with an admission class code such as “RE” (Refugee) or “AY” (Asylee) or other information designating the person a refugee or asylee.
- Special immigrant visa that includes “SI” or “SQ.”
