IMPORTANT NOTICE

Dear Applicant:

Enclosed is the application you requested from the Contractors State License Board (CSLB).

Please be aware that nearly half of all applications submitted to CSLB are inaccurate or incomplete and must be returned to the applicant for correction or completion!

Please complete your application in its entirety to help ensure that your application is accepted for processing by CSLB.

After an application has been accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, as required by law. (*Business and Professions Code sections 144 and 7069*)

An incomplete application can needlessly delay your license. Delays can last several weeks or even months and possibly result in the application being deemed abandoned and becoming void and the application fee being forfeited. (*Business and Professions Code sections 7074 and 7138 and Title 16, California Code of Regulations section 813*)

Spending a few extra minutes now may save you weeks or months later!

Before you submit your application, follow these simple directions.

- Sign the form.
- Fill out all applicable information.

Carefully read the General Information and Instructions that immediately precede the application package and follow the specific instructions that are contained throughout the application to help ensure that your application is complete and accurate.

Please be aware that there are no schools or application preparation organizations that are affiliated with or agents of CSLB, although some may have company names that are confusingly similar to CSLB. If you discover that an organization has misrepresented itself as being CSLB, you should submit a complaint to CSLB or the California Department of Consumer Affairs.
APPLICATION FOR JOINT VENTURE CONTRACTOR LICENSE

General Information and Instructions

Listed below is general information to assist you as you complete the attached application. Detailed instructions are provided on the application. For more information about the Contractors State License Board’s (CSLB) joint venture license, please refer to Business and Professions Code (BPC) section 7029.

Do not submit this General Information and Instructions section with your completed application – the actual application begins immediately following this section on Application – Page 1 of 2. The terms “qualifying individual” and “qualifier” are used interchangeably.

ABOUT JOINT VENTURE LICENSES

- A joint venture license is issued to two or more licensed entities (individuals, partnerships, corporations, limited liability companies [LLC], or other joint ventures) whose licenses are current, active, and in good standing (i.e., not disciplined or otherwise restricted).
- A joint venture license may be issued in any or all of the classifications held by one or more of the entities.
- Each entity applying for the joint venture license:
  - Must provide the signatures of all qualifiers who are currently shown in CSLB records; and
  - Must also provide the signature of an owner, partner, officer, manager, member, or director if the qualifier is a responsible managing employee (RME).

Before you submit your application, please review and be sure you have complied with the following:

- Enclose the full $800 fee for licensure in a single classification (which includes the nonrefundable $450 application fee and the $350 initial license fee) with your completed application. Be sure to also include additional fees for any additional classifications ($150 per additional classification) as indicated on the application. CSLB cannot process your application without the appropriate fee made payable to the Registrar of Contractors. If approved for the military expedite and initial license fee reduction provision (see instructions under Military), these initial license fees will be reduced by 50%. (BPC sections 7137 and 7138)

- Your application may be returned to you if it is insufficient or incomplete. You must provide any missing information, make corrections, and resubmit your completed application to CSLB within 90 days after the date that it was returned to you, or your application will be deemed abandoned and become void. You cannot reinstate an abandoned application – you must submit a new application and fee if you wish to pursue licensure. (BPC section 7074 and Title 16, California Code of Regulations section 813)

- Complete the application legibly in black or dark blue ink or on CSLB’s website using the Easy-Fill feature. Forms completed in pencil will be returned to you.

- Please make sure that all authorized individuals complete, sign, and date Section 2 of the application. All qualifying individuals for each entity must be listed on and sign the application.

SECTION 1 – NEW BUSINESS NAME AND ADDRESS

Business Name Styles (Box 1)

In accordance with BPC section 7059.1, the business name for a contractor license must not be misleading in relation to the classification(s) issued to that license and must be compatible with the type of business entity licensed. An acceptable joint venture business name must include the full business name of each listed entity, part of each listed entity’s business name, or be a completely fictitious business name.

Classification(s) Requested (Box 2)

Joint venture licenses may be issued in any classifications held by at least one of the entities. More than one classification may be requested on this application. For a complete description of the classifications, refer to the License Classifications link on the Applicants page of CSLB’s website. Be sure to include the additional $150 for each additional classification on your application.
Business Addresses (Boxes 3 – 4)

- You must provide an address of record (mailing address) for your business that will be made available to the public if you become licensed. This address will be published on CSLB’s website and will also be used for service of all official correspondence, notices, and orders from CSLB, such as renewal notices. P.O. boxes and private mailboxes (acceptable for the address of record).

- You must also provide a business street address that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website. P.O. boxes and PMBs are not acceptable for the business street address.

- You are also asked to provide business phone and business fax numbers and a business email address. The business phone number is published on CSLB’s website – the other contacts are for CSLB internal purposes and for service of official correspondence.

SECTION 2 – LICENSED ENTITIES

- The full business name of each entity that will be part of the joint venture license must be included in Section 2 and must match exactly how it appears on CSLB records.

- The contractor license of each entity listed on this application must be current, active, and in good standing before the joint venture license can be granted; if it is not, this application will be returned to you for correction.

- Full legal names and signatures are required of all qualifying individual(s) for each entity as currently shown in CSLB records. If an individual does not have a middle name, write “None” or “NMN” in the space provided. If an individual has only an initial for their first or middle name, write “(Initial Only)” after the initial.

- All applicants are required to provide their U.S. Social Security number (SSN) or individual taxpayer identification number (ITIN) if an individual does not have an SSN. (See note on the following page regarding collection of SSNs and ITINs.)

- If the qualifier for one or more of the entities is an RME, the applicant must also provide the full legal name and signature of an owner, partner, officer, manager, member, or director of the entity. If the manager or member of an LLC entity is a corporation or another LLC, as opposed to an individual person, you must complete Section 2 with the company’s information, omitting the SSN/ITIN field that does not apply. In such cases, a responsible signing party for that entity also needs to be identified. To do this, you must complete a portion of Section 2 using this individualperson’s personal information. Identify that person as the “Authorized Signer for ___” (inserting the name of the corporation or LLC on behalf of which the individual person will sign). This individual person will not be part of the official license personnel of record, but their information will be maintained by CSLB for signing purposes only.

SECTION 3 – REQUIRED APPLICATION QUESTIONS

Military (Questions 9 and 10)

Expedited Processing and 50% reduction of Initial License fee for Military Personnel

CSLB will expedite the licensure process and reduce the initial licensing fee by 50% for an applicant who is a current active duty member of the Armed Forces or who was not dishonorably discharged after having served as an active-duty member of the United States Armed Forces or the National Guard or Reserves. Please provide the following documentation: Evidence of your current military duty (copy of your military orders) or your previous military service (copy of your latest DD 214 long form – Certificate of Release or Discharge from Active Duty showing discharge status or a copy of a current and valid driver's license or identification card issued by this state or another state with the word “Veteran” printed on its face) or for National Guard discharge status (copy of your NGB 22 form), or for Reserves discharge status (copy of your DD256 form).
Expedited Processing and Fee Waiver for Military Personnel Spouses or Domestic Partners
CSLB will expedite the licensure process and waive the application fee and initial license fee for an applicant who:

- Is married to, or in a domestic partnership or other legal union with, an active-duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active-duty military orders.
- Holds a current license in another state, district, or territory of the United States in the profession or vocation for which the applicant seeks a license from the board.

If you answer “Yes” to question 10 and you would like to be considered for this expedited processing and waiver of licensure fees, please provide a copy of your current license from the other state, district, or territory of the United States documenting a contractor license, registration, permit, or certificate in the same classification for which you are seeking licensure and documentation of your marriage or legal union and your spouse’s or partner’s active military duty. For example, in addition to the licensure documentation, attach a copy of the marriage certificate or certified declaration/registration of domestic partnership filed with the Secretary of State and military orders establishing a duty station in California. For other forms of “legal union” not recognized by California, you may submit other documentary evidence of legal union issued by the state that recognizes your legal union for consideration by CSLB in meeting this requirement.

Fees will not be required with this application if all of the above mentioned requirements are met and all the required documentation is submitted with the application.

MISCELLANEOUS INFORMATION
- A contractor’s bond or cash deposit in the amount of $25,000 must be submitted with this application showing the exact business name given in Section 1 of this application. The original bond is required – copies are not acceptable.
- A Certificate of Workers’ Compensation Insurance, Certificate of Self-Insurance, or Exemption from Workers’ Compensation must be submitted with this application, showing the exact business name appearing in Section 1 of this application.
- The joint venture license will expire two (2) years from the last day of the month in which the license was issued. Each entity license comprising the joint venture must be current, active, and in good standing before the joint venture license can be renewed.
- The joint venture license will be automatically suspended during any period in which any entity comprising the joint venture does not hold a current and active license in good standing.

SECTION 3 – REQUIRED APPLICATION QUESTIONS

Applicants must answer the following questions. Question 10 pertains only when at least one entity of the joint venture applicant is an individual who holds an existing sole ownership business entity license. Please refer to Page 2 of the General Information and Instructions for more information. If you checked “Yes” in response to any question, the person involved must attach the requested documentation.

6. To the best of your knowledge, is anyone listed on this application (or any company the person is or was a part of) named in or responsible for any unsatisfied final judgments, liens, and/or claims against any bond or cash deposit pertaining to a construction project?

If you checked “Yes” for this question, you are required to attach a statement identifying all judgments (pending or on record), liens, past due unpaid bills, claims, or suits and a detailed explanation of the situation. Include the names and addresses of the parties involved. If the obligation was or is being discharged in bankruptcy, attach a copy of the bankruptcy filing and a copy of the creditors list.

Yes ☐ No ☐

7. To the best of your knowledge, has anyone on this application (or any company the person is or was a part of, or any immediate family member of the applicant) ever received a citation from CSLB or had a contractor license or other professional/vocational license or registration denied, suspended, revoked, or otherwise disciplined by this state or elsewhere (i.e., other U.S. state, U.S. territory, agency of the federal government, or other country)?

For the purposes of responding to this question, “disciplined” is an administrative action that resulted in a restriction or penalty being placed on any license you have or have possessed, such as a revocation, suspension, probation, or reprimand.

(Write “No” if the license or registration was suspended due to lack of a bond, workers’ compensation or other required insurance, a qualifier, or family support.)

If you checked “Yes” for this question, you are required to attach a statement detailing the events leading to this action.

Yes ☐ No ☐

8. To the best of your knowledge, has anyone on this application failed to resolve any outstanding final liabilities, which include taxes, additions to tax, penalties, interest, and any fees that may be assessed by CSLB, the Department of Industrial Relations, the Employment Development Department, the Franchise Tax Board, or the State Board of Equalization (BOE)?

If you checked “Yes” for this question, you are required to attach a statement regarding the outstanding liabilities. In relation to BOE liabilities, you must indicate if you have entered into an installment payment agreement for that liability with the BOE and provide verification that you are in compliance with the terms of that agreement, if applicable.

Yes ☐ No ☐

9. Are you serving in, or have you previously served in, the United States Armed Forces?

If you checked “Yes” for this question, please provide the following documentation for review to potentially receive expedited processing and a 50% reduction in the initial license fee:

- Evidence of your current military duty (copy of your military orders) or your previous military service (copy of your latest DD 214 long form – Certificate of Release or Discharge from Active Duty showing discharge status or Copy of Driver’s License with “Veteran” endorsement) or National Guard discharge (form GNB 22) or Reserves discharge (form DD 256). See instructions section under Military.

Yes ☐ No ☐

10. The CSLB will expedite the licensure process and waive the license application fee and the initial license fee charged by the board for an applicant who is the spouse of an active-duty member of the Armed Forces stationed in California and meets both of the following requirements:

Are you married to, or in a domestic partnership or other legal union with, an active-duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active-duty military orders?

AND

Do you hold a current license in another state, district, or territory of the United States in the profession or vocation for which you seek a license from the board?

If you checked “Yes” for this question, please provide documentation of current licensure AND, marriage, partnership or legal union AND active-duty military orders as described in the instructions under Military.

Yes ☐ No ☐

No fees will be required for this application if you submit all the above-mentioned requirements.

STATE TAX AND OTHER OBLIGATIONS NOTICE

The State Board of Equalization and Franchise Tax Board may share taxpayer information with CSLB. You are obligated to pay your state tax obligation. CSLB may suspend or refuse to issue, reactivate, reinstate, or renew a license if your state tax obligation, child support obligation, or any outstanding final liability to CSLB, the Department of Industrial Relations, or the Employment Development Department is not paid.
