IMPORTANT NOTICE

Dear Applicant:

Enclosed is the application from the Contractors State License Board (CSLB).

Please be aware that nearly half of all applications submitted to CSLB are inaccurate or incomplete and must be returned to the applicant for correction or completion!

Please complete your application in its entirety to help ensure that your application is accepted for processing by CSLB.

After an application has been accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, as required by law. (*Business and Professions Code sections 144 and 7069*)

An incomplete application can needlessly delay your license. Delays can last several weeks or even months and possibly result in the application being deemed abandoned and becoming void and the application fee being forfeited. (*Business and Professions Code sections 7074 and 7138 and Title 16, California Code of Regulations section 813*)

**Spending a few extra minutes now may save you weeks or months later!**

Before you submit your application, follow these simple directions.

- Sign the form.
- Fill out all applicable information.
- Make sure you submit Certification of Work Experience forms that have been filled out completely, ensuring that you have provided four (4) years of applicable experience in the classification for which you are applying.

Carefully read the General Information and Instructions that immediately precede the application package and follow the specific instructions that are contained throughout the application to help ensure that your application is complete and accurate.

Please be aware that there are no schools or application preparation organizations that are affiliated with or agents of CSLB, although some may have company names that are confusingly similar to CSLB. If you discover that an organization has misrepresented itself as being CSLB, you should submit a complaint to CSLB or the California Department of Consumer Affairs. However, official CSLB examination study guides are available free of charge on CSLB’s website and are mailed to applicants when they are scheduled for exams.
IMPORTANT NOTICE REGARDING CONVICTIONS
PLEASE READ CAREFULLY

As part of the Contractors State License Board (CSLB) application process and as required by law, the applicant must be fingerprinted if they have not been fingerprinted by CSLB before or if the applicant’s previous fingerprint record was purged by CSLB due to a voided application; disassociated, revoked, or cancelled license or registration; or for some other reason. After an application is accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, usually via live scan electronic transmission.

The applicant’s fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. If an applicant has ever been convicted of a crime, their criminal record information will be reported to CSLB. This includes DUIs and other Vehicle Code violations resulting in a conviction. Even if you pled “no contest,” had the conviction set aside, or judgment deferred pursuant to Penal Code sections 1000 or 1203.4 (commonly understood as “expunged”), the past conviction will still be reported to CSLB.

Under certain circumstances, CSLB may request that an applicant provide mitigating information regarding their criminal history by completing and submitting the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB’s website on the Forms and Applications page. CSLB’s Criminal Background Unit will contact the applicant if it is requesting this additional information. If so, the applicant can complete the disclosure and send an email scan of it to CBU@cslb.ca.gov or fax to 916-255-4135. Please note, completing the form or any other disclosure of mitigating evidence is voluntary, and the applicant may choose not to disclose any information. An applicant’s choice not to disclose information shall not be a factor in a board’s decision to grant or deny an application for licensure. (See Bus. & Prof. Code, § 480(f)(2).

Applicants with criminal convictions are not automatically denied licensure – each applicant is reviewed individually based on the applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant. CSLB has several regulations to review criminal convictions, including Title 16 of the California Code of Regulations sections 868, 868.1, and 869. Section 868 guides how to evaluate whether a crime is substantially related to the qualifications, duties, or functions of a licensee or registrant; Section 868.1 guides whether a felony financial crime is directly and adversely related to the fiduciary qualifications, duties, or functions of a licensee or registrant; and Section 869 guides whether an applicant has made a showing of rehabilitation.

For rehabilitation evaluation, in addition to other evidence of rehabilitation, CSLB is generally looking at how much time has passed since the conviction without further violations of law.
APPLICATION FOR ORIGINAL CONTRACTOR LICENSE
General Information and Instructions

GENERAL INFORMATION

Listed below is general information to assist you as you complete the attached application. Detailed instructions are also provided that address the content of the application section by section. Please refer to the Applicants page on the Contractors State License Board’s (CSLB) website (www.cslb.ca.gov) for more detailed information about the licensing process.

Do not submit this General Information and Instructions portion with your completed application – the actual application begins immediately following this section on Application – Page 1 of 4 and includes the Certification of Work Experience and the Owner-Builder B-General Building Construction Project Experience form, if needed.

Before you submit your application, please review and be sure you have complied with the following items.

- Enclose the nonrefundable $450 application fee with your completed application for licensure in a single classification. CSLB cannot process your application without the appropriate fee made payable to the Registrar of Contractors. The initial license fee ($200 for sole owner and $350 for non-sole owner) should be submitted separately after you pass the examination. If approved for the military expedite and initial license fee reduction provision (see instructions under Military), these initial license fees will be reduced by 50%. (Business and Professions Code [BPC] sections 7137 and 7138)

- Your application may be returned to you if it is insufficient or incomplete. You must provide any missing information, make corrections, and resubmit your completed application to CSLB within 90 days after the date that it was returned to you, or your application will be deemed abandoned and become void. You cannot reinstate an abandoned application – you must submit a new application and $450 application fee if you wish to pursue licensure. (BPC 7074 and Title 16, California Code of Regulations [T16 CCR] section 813)

Complete the application and all accompanying forms legibly in black or dark blue ink or on CSLB’s website using the Easy-Fill feature. Forms completed in pencil will be returned to you. Please make sure that you and other authorized individuals sign and date the forms, where applicable.

- Leave no space blank. If a particular question or request for information does not apply to you, write “N/A” in the blank space to indicate that the question has received your attention but that it is not applicable.

- The “#” symbol is used interchangeably with the word “number” where space is limited on the application.

- If you need additional copies of forms (e.g., Certification of Work Experience, Section 4 – Personnel Full Legal Names and Addresses), please make copies of the blank forms before you begin or print additional copies from the CSLB website, under the Forms and Applications page.

SECTION 1 – BUSINESS NAME AND ADDRESS

Business Name Styles (Box 1)

In accordance with BPC section 7059.1, the business name for a contractor license must not be misleading in relation to the classification(s) issued to the license and must be compatible with the type of business entity licensed (see Section 2 on next page). For example, it would not be acceptable for ABC123 Tile to apply for a C-10 Electrical contractor license, but it would be acceptable for ABC123 Construction to apply for a B-General Building contractor license or for ABC123 Tile to apply for a C-54 Ceramic and Mosaic Tile contractor license. In addition, it would not be acceptable for a sole ownership or proprietorship to use the words “partners” or “incorporated” in its business name.

If your business is a corporation or limited liability company (LLC), the business name shown on your application must match exactly the business name as registered with the Secretary of State (SOS).

Business Addresses (Boxes 3a – 3c)

- You must provide an address of record (mailing address) for your business that will be made available to the public if you become licensed. This address will be published on CSLB’s website and will also be used for service of all official correspondence, notices, and orders from CSLB, such as renewal notices. P.O. boxes and private mailboxes (PMB) are acceptable for the address of record.

- You must also provide a business street address that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website. P.O. boxes and PMBs are not acceptable for the business street address.
You are also asked to provide business phone and business fax numbers and a business email address. The business phone number is published on CSLB’s website – the other contacts are for CSLB internal purposes and for service of official correspondence.

* 832.49. Class C-49—Tree and Palm Contractor. Effective January 1, 2024, this shall become operative.

SECTION 2 – BUSINESS ENTITY (Box 4)
Applicants must designate their business entity. Below is information on the four business entity types that are covered by this application. Contractor licenses are also issued to joint ventures – such applicants must submit the separate Application for Joint Venture License, available at CSLB’s website on the Forms and Applications page.

Corporations and LLCs must be registered and in good standing (not suspended or otherwise restricted) with SOS in order to be licensed and remain licensed with CSLB. SOS can be reached by calling (916) 653-6814 or by visiting their website at www.sos.ca.gov. Applicants who wish to change their business entity after the application is posted should withdraw their application and submit a new one.

Sole Owner
Check the “Sole Owner” box if the business is owned by only one individual person and is not a corporation or an LLC.
APPLICATION FOR ORIGINAL CONTRACTOR LICENSE
General Information and Instructions (continued)

Partnership
Check the "Partnership" box if the business is a partnership. Partnerships must be registered with the California SOS and in good standing prior to being issued a contractor license. Partnerships must provide their federal employer identification number (FEIN), which is available from the U.S. Internal Revenue Service (IRS). The IRS can be reached by calling (800) 829-1040. Personal Social Security numbers are not acceptable for the FEIN.

Corporation
Check the "California Corporation" box if the business is a corporation. Corporations must be registered with the California SOS and in good standing prior to being issued a contractor license. Corporations must provide a current and active SOS registration number where indicated in Section 2 of the application.

Limited Liability Company
Check the "Limited Liability Company" box if the company is a limited liability company. LLCs must be registered with the California Secretary of State, must be in good standing, and have filed their statement of information prior to being issued a contractor license. LLCs must provide a current and active registration number where indicated in Section 2 of the application.

If your business entity is an LLC, before you submit your application, please be aware that the following additional requirements apply to LLC licenses (please refer to CSLB’s website for more information):

- **$100,000 Surety Bond.** LLC licenses are required to file a $100,000 surety bond (in addition to the $25,000 contractor’s bond) for the issuance, reissuance, reinstatement, reactivation, and renewal of an LLC license for the benefit of any employee or worker damaged by the LLC’s failure to pay wages, interest on wages, or fringe benefits, as well as other contributions. (BPC sections 7071.6 and 7071.6.5)
- **$1 Million Liability Insurance Minimum.** LLC licenses are required to carry liability insurance with the aggregate limit of $1 million for licensees with five or fewer persons and/or companies listed as personnel of record, plus an additional $100,000 required for each additional personnel, not to exceed $5 million total. (BPC section 7071.19)
- **Personnel of Record.** Every person and/or company that is an officer, responsible manager, member, or director of an LLC must be listed as personnel of record on LLC applications. All individuals who are members of the personnel of record are subject to fingerprinting. LLC managers and members must be listed on the LLC’s record with SOS. LLCs may also have additional officers who are not included on the official SOS record, but who must be listed on this application and who will become part of the contractor license. CSLB staff will verify the number of managers and members listed on the SOS record for LLCs in order to ensure that the number of personnel listed on this application is correct and to accurately calculate the required amount of the LLC liability insurance, as discussed above. (BPC section 7065)

SECTION 3 – QUALIFYING INDIVIDUAL FULL LEGAL NAME AND ADDRESS
The terms “qualifying individual” and “qualifier” are used interchangeably. The qualifying individual is the person who meets the experience and examination requirements for the license and who is responsible for exercising that direct supervision and control of their employer’s or principal’s construction operations to secure compliance with CSLB’s laws, rules, and regulations. (BPC section 7068.1 (a)) “Direct supervision and control” includes any one or any combination of the following activities: supervising construction, managing construction activities by making technical and administrative decisions, checking jobs for proper workmanship, or direct supervision on construction job sites.

A qualifying individual is required for every classification on every license issued by CSLB. The qualifying individual may or may not be the owner of the business.

You must complete the personnel information requested in Sections 3 and 4 of the application for each individual and company that will be listed on the license.

- **Line 5a – Full legal names are required.** You must provide the full legal name of all personnel. If an individual does not have a middle name, write “None” or “No Middle Name” in the space provided. If an individual has only an initial for their first or middle name, write “(Initial Only)” after the initial.
- **Provide qualifier’s date of birth where requested.**
APPLICATION FOR ORIGINAL CONTRACTOR LICENSE
General Information and Instructions (continued)

- **All applicants are required to provide their U.S. Social Security number (SSN) or individual taxpayer identification number (ITIN) if an individual does not have an SSN.**

- **Box 5b** – You must **also** provide a residence street address for the qualifier that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website. P.O. boxes and PMBs are **not** acceptable for the qualifier’s residence street address.

- **Line 6** – Please enter any previous or current license numbers held by the qualifier in the provided box. Also enter the percentage of the new business owned/held by the qualifier (ranging between zero and 100%), the qualifier’s driver license number, and the qualifier’s home phone number.

- **Box 7** – Check the appropriate box that identifies the title/position of the qualifying individual. The **title/position must be compatible with the business entity type**, as entered in Section 2 above. Please be sure your selected title/position complies with the following:
  - **Sole owner entity** = either Owner or Responsible Managing Employee (RME) – see below
  - **Partnership entity** = either Qualifying Partner or RME
  - **Corporation entity** = either Responsible Managing Officer (RMO) or (RME) in accordance with contractors law, every person who is an officer must be listed on the application as an officer of the personnel of record and must match those officers listed on SOS records. (BPC 7065 (b)(1))
  - **LLC entity** = any one of RMO, Responsible Managing Manager, Responsible Managing Member, or RME – If an LLC has officers, the name(s) of their officer(s) must be listed on the application – president, secretary, and treasurer. Please be sure to write these titles in the space provided for the appropriate personnel in Sections 3 and 4 and be sure that they match those listed on SOS records.

- **An RME is a bona fide employee** who is permanently employed by the applicant and is actively engaged in the operation of the applicant’s contracting business for at least 32 hours or 80% of the total hours per week such business is in operation, whichever is less.

- **Box 8** – You **must** print and sign your name and indicate the date below the certification statement at the bottom of Page 1 of the application. Failure to sign your application will result in the application being returned to you for correction.

**SECTION 4 – PERSONNEL FULL LEGAL NAMES AND ADDRESSES (Other than Qualifying Individual)**

You must complete the personnel information requested in Section 4 of the application for each individual and company that will be listed as personnel on the license, other than the qualifier listed in Section 3. Be sure to include the applicant’s business name at the top of the page where requested.

- See Section 3 above for instructions on how to complete the specific fields of this section. If more than four (4) personnel must be reported, please make a copy of the blank form. All personnel **must** print and sign their names below the certification statement and include the date that the form was signed.

- LLC applicants must list **every responsible manager, member, and officer** on the application for licensure. Every LLC is required to have at least one manager or member. The personnel on the application must be consistent with the number, types, and names of personnel listed on SOS records for that LLC. For example, if SOS lists five (5) managers and members on the LLC’s record, the application must list the same number and names of managers and members in order to be acceptable. In addition, LLCs can have officers who are neither managers nor members – those individuals must also be reported as officers on the application for licensure even though they are not listed on SOS records.

- LLCs can have managers or members that are corporations or other LLCs, as opposed to individual people. When an LLC has corporate or LLC managers or members, complete Section 4 for those companies, omitting the fields that do not apply (e.g., date of birth, SSN/ITIN, and driver license number). Since corporations and LLCs are incapable of signing documents (e.g., applications, renewals, etc.), you must also report at least one individual person who will be an authorized signer for that company. To do this, you must complete a portion of Section 4 using this individual person’s personal information. Identify that person as the “Authorized Signer for ______” (inserting the name of the corporation or LLC on behalf of which the individual person will sign). This individual person will not be part of the official license personnel of record (unless they are also an actual responsible manager, member, or officer of the applicant LLC), but their information will be maintained by CSLB for signing purposes only.

Please detach this General Information and Instructions portion before submitting the completed application package to CSLB.

13A-1 (rev. 08/2023)
SECTION 5 – REQUIRED APPLICATION QUESTIONS

Be sure to include the applicant’s business name at the top of the page where requested. All questions must be answered, unless otherwise indicated, and all requested explanations and documentation must be provided, or the application will be returned to the applicant for correction. Failure to thoroughly and accurately complete this section of the application can delay the licensure process or result in denial of the application.

Fingerprint Requirement

Please be sure to read the Important Notice Regarding Convictions on the front of this application packet. All applicants for licensure are required to submit a full set of fingerprints for the purpose of conducting a criminal background check. Fingerprints will be compared to the records of the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) to determine whether a criminal history exists. Your license will not be issued until CSLB receives fingerprint results from both DOJ and FBI. Even though you may have been fingerprinted previously for an employer or another regulatory body, you will need to undergo the fingerprinting and criminal history check process again specifically for CSLB. California Penal Code section 11142 prohibits criminal history information from being released to any entity other than the requesting agency that you have authorized to receive it.

After an application has been accepted by CSLB as complete (also known as “posted”), each individual listed on the application who needs to fingerprint will be sent instructions on the process for obtaining and submitting fingerprints. Individuals in California are required to fingerprint by electronic live scan; individuals outside of California can fingerprint either by electronic live scan in California or by submitting hard card fingerprints that are completed in the applicant’s location, as explained in the instructions that are sent after the application has been posted. For more information, please visit CSLB’s website and view information on the Applicants page.

Translator for Examination (Question 15)

Check the “Yes” box if you have difficulty understanding or reading the English language and you would like to use a translator to read the examination to you. Complete question #15 by listing in what language your translator will read the exam. The translator you choose must be approved in advance by CSLB. If you check the “Yes” box, information will be sent to you regarding the translator process.

SECTION 6 – QUALIFIER EDUCATION, APPRENTICESHIP, LICENSURE, AND MILITARY

Education and Apprenticeship (Question 16)

CSLB may grant up to three years of credit toward the four-year experience requirement for completed training in an accredited school and/or apprenticeship programs in the construction trade for which the applicant is applying. (T16 CCR section 825). For formal education, request a certified official transcript from the applicant’s educational institution. Include the sealed official transcript with the application when submitted. Degrees obtained outside of the United States must be translated, if in a language other than English, and evaluated by an accredited evaluation service in the U.S.

For apprenticeship programs, applicant must submit a copy of their apprenticeship certificate and indicate the dates of the program where requested on the application.

Reciprocity (Question 17)

Applicants who are seeking licensure in California and who are licensed in the same classification in another state may be eligible for the waiver of the trade examination if the qualifier meets the requirements for reciprocity (BPC section 7065.4), please see CSLB’s website (www.cslb.ca.gov) for more information. If you are licensed in a state and classification recognized by the Board, please have the licensing agency from your state complete a “License Verification Request” form and submit it with this application. The Law and Business Examination will still be required if the applicant has not passed that examination within the last five (5) years. (See CSLB’s website for more information on reciprocity on the Applicants page.)
Military (Questions 18 and 19)

Expedited Processing and 50% reduction of Initial License fee for Military Personnel
CSLB will expedite the licensure process and reduce the initial licensing fee by 50% for an applicant who is a current active-duty member of the Armed Forces or who was not dishonorably discharged after having served as an active-duty member of the United States Armed Forces or the National Guard or Reserves. Please provide the following documentation: Evidence of your current military duty (copy of your military orders) or your previous military service (copy of your latest DD 214 long form – Certificate of Release or Discharge from Active Duty showing discharge status or a copy of a current and valid driver’s license or identification card issued by this state or another state with the word “Veteran” printed on its face) or for National Guard discharge status (copy of your NGB 22 form), or for Reserves discharge status (copy of your DD256 form).

Expedited Processing and Fee Waiver for Military Personnel Spouses or Domestic Partners
CSLB will expedite the licensure process and waive the application fee and initial license fee for an applicant who:

- Is married to, or in a domestic partnership or other legal union with, an active-duty member of the Armed Forces of the United States who is assigned to a duty station in California under official active-duty military orders.
- Holds a current license in another state, district, or territory of the United States in the profession or vocation for which the applicant seeks a license from the board.

If you answer “Yes” to question 19 and you would like to be considered for this expedited processing and waiver of licensure fees, please provide a copy of your current license from the other state, district, or territory of the United States documenting a contractor license, registration, permit, or certificate in the same classification for which you are seeking licensure AND documentation of your marriage or legal union AND your spouse’s or partner’s active military duty. For example, in addition to the licensure documentation, attach a copy of the marriage certificate or certified declaration/registration of domestic partnership filed with the Secretary of State AND military orders establishing a duty station in California. For other forms of “legal union” not recognized by California, you may submit other documentary evidence of legal union issued by the state that recognizes your legal union for consideration by CSLB in meeting this requirement.

Fees will not be required with this application if all of the above-mentioned requirements are met and all the required documentation are submitted with the application.

Credit for Military Experience and Training
CSLB may grant credit toward licensure requirements for applicable work experience and training received while the applicant was an active-duty member of the Armed Forces of the United States performing duties in the classification for which they are applying. This work experience and training must be reported on a Certification of Work Experience form and must be supported by acceptable documentation, include a copy of your Joint Service Transcripts (military transcripts) for evaluation. You may also provide evidence of current military duty (copy of applicant’s military orders) or previous military service (copy of applicant’s DD 214 – Certificate of Release or Discharge from Active Duty). If you are claiming military experience, please be sure to check the “Yes” box for Question 18 on the application, as discussed above.
CSLB will expedite the licensure process for an applicant who immigrated to the United States of America in certain circumstances. Please check the "yes" box to question 20 on this application if:

- You were admitted to the United States as a refugee pursuant to section 1157 of title 8 of the United States Code;
- You were granted asylum by the Secretary of Homeland Security or the United States Attorney General pursuant to section 1158 of title 8 of the United States Code; or,
- You have a special immigrant visa and were granted a status pursuant to section 1244 of Public Law 110-181, Public Law 109-163, or section 602(b) of title VI of division F of Public Law 111-8, relating to Iraqi and Afghan translators/interpreters or those who worked for or on behalf of the United States government.

If you selected YES, you must attach evidence of your status as a refugee, asylee, or special immigrant visa holder. Failure to do so may result in application review delays. Acceptable evidence includes:

- Form I-94, Arrival/Departure Record, with an admission class code such as "RE" (Refugee) or "AY" (Asylee) or other information designating the person a refugee or asylee.
- Special immigrant visa that includes “SI” or “SQ.”
- Permanent Resident Card (Form I-551), commonly known as a “Green Card,” with a category designation indicating that the person was admitted as a refugee or asylee.
- An order from a court of competent jurisdiction or other documentary evidence that provides reasonable assurance that the applicant qualifies for expedited licensure.

**MISCELLANEOUS INFORMATION**

**Experience and Examination Information**

Applicants for licensure must meet specific experience and examination requirements, as explained below. Waivers of the trade examination may be granted under certain circumstances, as indicated on the next page. If you qualify for exam waiver or exemption, do not use this application – please instead use the Application for Original Contractor License – Waiver (7065) (form 13A-1A).

**Experience Requirements**

To be eligible for licensure, the qualifying individual must have had, within the last 10 years, at least four (4) years of experience in the classification for which they are applying. The experience must be at no less than a journeyman level, or as a foreman, supervising employee, contractor, or owner-builder. A “journeyman” is defined as an experienced worker who is fully qualified (as opposed to a trainee) and is able to perform the trade without supervision, or one who has completed an apprenticeship program. **Experience is documented on the Certification of Work Experience form.** (T16 CCR section 825)

**Examination Eligibility Requirements**

The qualifying individual for a contractor license is required to pass the written Law and Business Examination and a specific trade examination if required (BPC section 7065) unless they meet the requirements for a waiver (see next page for information regarding examination waivers). Official CSLB examination study guides are available free of charge on CSLB’s website under the Applicants tab and are mailed to applicants when they are scheduled for exams. These study guides are also available in Spanish.

**Re-Examination**

If you are required to take an examination, subject to some limitations, you have 18 months after the approval of your application in which to achieve a passing score on the exam(s). During that time, you may take the exam(s) as many times as needed within retesting guidelines. A $100 fee is required each time you reschedule an exam. (See BPC section 7074 for more detailed information on re-examinations.)
Reasonable Accommodation – The Americans with Disabilities Act
In compliance with the Americans with Disabilities Act (ADA), CSLB provides reasonable accommodation for applicants with disabilities that may affect their ability to take the required examinations. Applicants wishing to request reasonable accommodation pursuant to the ADA must complete the Special Accommodation Request for Examination form (available on the Forms and Applications page on CSLB’s website) and submit it to CSLB with the appropriate supporting documentation. In order to make the necessary arrangements to accommodate candidate needs, the form and supporting documentation should be submitted as soon as possible.

Examination Waivers and Exemptions
The examination may be waived if the qualifying individual is currently or has been in the last five (5) years, actively engaged in the construction business and meets specific waiver requirements as mandated by law, or has been actively licensed in good standing or has passed the required exams in the classification for which they are applying. (See BPC sections 7065 – 7065.4 for a complete list.) If you are applying for licensure based on waiver of or exemption from the trade and Law and Business exams, you should complete the Application for Original Contractor License – Examination Waiver (7065) instead of this application.

In addition, the trade examination may be waived if the qualifier meets the requirements for reciprocity, please see CSLB’s website (www.cslb.ca.gov) for more information. If you are licensed in a state and classification recognized by the Board, please have the licensing agency from your state complete a “License Verification Request” form and submit it with this application. The Law and Business Examination will still be required if the applicant has not passed that examination within the last five (5) years. (See CSLB’s website for more information on reciprocity on the Applicants page.)

Random Application and Experience Review
By law, CSLB must randomly review three percent (3%) of applications, including the experience claimed on Certifications of Work Experience forms that must be verifiable through payroll records or similar documents. In the event that your application is selected for review, please see CSLB’s website for the listing of Acceptable Supporting Experience Documentation (The list is located at CSLB’s website on the Applicants page.) that may be submitted to CSLB to support claimed experience. In addition, CSLB staff may contact the certifier of experience or other parties to verify experience. (BPC section 7068 and T16 CCR 824)

DOSH’s Asbestos Contractors’ Registration Unit (ACRU) can be reached at (916) 574-2993 or ACRU@dir.ca.gov, or you can visit their website at http://www.dir.ca.gov/dosh/ACRU/ACRUhome.htm.

PART 2 – WORK EXPERIENCE AND CERTIFICATION STATEMENT

- The certifier must complete Part 2 in its entirety after the qualifying individual has completed Part 1.
- The qualifying individual must document at least four (4) years of journeyman-level or higher experience in the classification for which they are applying. The experience must have been obtained within the last 10 years.
- The qualifying individual’s work experience must have been completed at the level of journeyman, foreman, supervising employee, or contractor, as defined below (Title 16, California Code of Regulations [T16 CCR] section 825). Also defined below are “owner-builder” and “self-employed individual.”
  - A “journeyman” is an experienced worker who is fully qualified (as opposed to a trainee) and is able to perform the trade without supervision, or a person who has completed an apprenticeship program. (T16 CCR section 825)
  - A “foreman” or “supervising employee” is a person who has the knowledge and skills of a journeyman and directly supervises construction projects.
  - A “contractor” is an individual who is currently a licensed California contractor, a former licensed California contractor, or an out-of-state licensed contractor. A contractor has the skills necessary to manage the daily activities of a construction business, including field supervision.
  - An “owner-builder” (a person who performs B-General Building classification work solely on their own property, pursuant to BPC section 7044) or a “self-employed individual” must have the knowledge and skills of a journeyman as listed above and the skills necessary to manage the daily activities of a construction business, including field observation. Owner-builders must complete and submit an Owner-Builder B-General Building Construction Project Experience form for each owner-builder project on their own property.
- The Description of Classifications document may be used as a reference only and is available through a link on the Applicants page of CSLB’s website.
- The certifier (a qualified, responsible person who is able to verify the work experience of the qualifier) must complete and sign under the certification statement on line 9 at the bottom of the form. The certifier can be an employer, fellow employee, journeyman, union representative, contractor, or business associate. This form will help CSLB determine whether the qualifier has the experience necessary to become a qualified contractor.
- The certifier must have direct knowledge of the qualifier’s experience during the time period listed. “Direct knowledge” means personal knowledge of the experience that does not depend on outside information or hearsay. The certifier must be able to certify that the qualifier demonstrated a level of knowledge and skills expected of a journeyman or higher in the classification for which they are applying.
- Any licensee whose signature appears on a falsified Certification of Work Experience form, or who otherwise certifies false or misleading experience claims submitted by an applicant to obtain a contractor license, will be subject to disciplinary action. (BPC section 7114.1)

Please detach this General Information and Instructions portion before submitting the completed application package to CSLB.
