IMPORTANT NOTICE

Dear Applicant:

Enclosed is the application you requested from the Contractors State License Board (CSLB).

Please be aware that nearly half of all applications submitted to CSLB are inaccurate or incomplete and must be returned to the applicant for correction or completion!

Please complete your application in its entirety to help ensure that your application is accepted for processing by CSLB.

After an application has been accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, as required by law. (*Business and Professions Code sections 144 and 7069*)

An incomplete application can needlessly delay your license. Delays can last several weeks or even months and possibly result in the application being deemed abandoned and becoming void and the application fee being forfeited. (*Business and Professions Code sections 7074 and 7138 and Title 16, California Code of Regulations section 813*)

Spending a few extra minutes now may save you weeks or months later!

Before you submit your application, follow these simple directions.

- Sign the form.
- Fill out all applicable information.
- Make sure you submit Certification of Work Experience forms that have been filled out completely, ensuring that you have provided four (4) years of applicable experience in the classification for which you are applying.

Carefully read the General Information and Instructions that immediately precede the application package and follow the specific instructions that are contained throughout the application to help ensure that your application is complete and accurate.

Please be aware that there are no schools or application preparation organizations that are affiliated with or agents of CSLB, although some may have company names that are confusingly similar to CSLB. If you discover that an organization has misrepresented itself as being CSLB, you should submit a complaint to CSLB or the California Department of Consumer Affairs. However, official CSLB examination study guides are available free of charge on CSLB’s website and are mailed to applicants when they are scheduled for exams.
IMPORTANT NOTICE REGARDING CONVICTIONS
PLEASE READ CAREFULLY

As part of the Contractors State License Board (CSLB) application process and as required by law, you must be fingerprinted if you have not been fingerprinted by CSLB before or if your previous fingerprint record was purged by CSLB due to a voided application; disassociated, revoked, or cancelled license or registration; or for some other reason. After an application is accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, usually via live scan electronic transmission.

Your fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. If you have ever been convicted of a crime, your criminal record information will be reported to CSLB. This includes DUIs and other Vehicle Code violations resulting in a conviction. Even if you pled “no contest,” had the conviction set aside, or judgment deferred pursuant to Penal Code sections 1000 or 1203.4 (commonly understood as “expunged”), the past conviction will still be reported to CSLB.

Under certain circumstances, CSLB may request that you provide mitigating information regarding your criminal history by completing and submitting the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB’s website on the Forms and Applications page. CSLB’s Criminal Background Unit will contact you if it is requesting this additional information. If so, you can complete the disclosure and send an email scan of it to CBU@cslb.ca.gov or fax to 916-255-4135. Please note, completing the form or any other disclosure of mitigating evidence is voluntary, and you may choose not to disclose any information. Your choice not to disclose information shall not be a factor in a board’s decision to grant or deny your application for licensure. (See Bus. & Prof. Code, § 480(f)(2).

Applicants with criminal convictions are not automatically denied licensure – each application is reviewed individually based on the applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant. CSLB has several regulations to review criminal convictions, including Title 16 of the California Code of Regulations sections 868, 868.1, and 869. Section 868 guides how to evaluate whether a crime is substantially related to the qualifications, duties, or functions of a licensee or registrant; Section 868.1 guides whether a felony financial crime is directly and adversely related to the fiduciary qualifications, duties, or functions of a licensee or registrant; and Section 869 guides whether an applicant has made a showing of rehabilitation.

For rehabilitation evaluation, in addition to other evidence of rehabilitation, CSLB is generally looking at how much time has passed since the conviction without further violations of law.
APPLICATION FOR REPLACING THE QUALIFYING INDIVIDUAL

General Information and Instructions

Listed below is general information to assist you as you complete the attached application. Detailed instructions are also provided that address the content of the application section by section. Please refer to the Applicants page on the Contractors State License Board’s (CSLB) website (www.cslb.ca.gov) for more detailed information about the licensing process.

Do not submit this General Information and Instructions portion with your completed application – the actual application begins immediately following this section on Application – Page 1 of 3 and includes the Certification of Work Experience. Before you submit your application, please review and be sure you have complied with the following items.

- Enclose the nonrefundable $230 application fee with your completed application to replace the qualifier on an existing license. CSLB cannot process your application without the appropriate fee made payable to the Registrar of Contractors. (Business and Professions Code [BPC] section 7138 and Title 16, California Code of Regulations [T16 CCR] section 811)

- You have 90 days after the disassociation of a qualifying individual in which to replace the qualifier on the license. The licensee or the qualifier is required to notify CSLB in writing within 90 days after the date of the disassociation. Failure to replace the qualifier within 90 days will result in the automatic suspension of the license or the removal of the classification. (BPC section 7068.2)

- Your application may be returned to you if it is insufficient or incomplete. You must provide any missing information, make corrections, and resubmit your completed application to CSLB within 90 days after the date that it was returned to you, or your application will be deemed abandoned and become void. You cannot reinstate an abandoned application – you must submit a new application and $230 application fee if you wish to reapply. (T16 CCR section 813)

- Your license must be in good standing (i.e., renewed active or inactive, but not expired or suspended) before the qualifying individual can be replaced.

Complete the application and all accompanying forms legibly in black or dark blue ink or on CSLB’s website using the Easy-Fill feature. Please make sure that you and other authorized individuals sign and date the forms, where applicable.

- Leave no space blank. If a particular question or request for information does not apply to you, write “N/A” in the blank space to indicate that the question has received your attention but that it is not applicable.

- The “#” symbol is used interchangeably with the word “number” where space is limited on the application.

- If you need additional copies of forms (e.g., Certification of Work Experience), please make copies of the blank forms before you begin or print additional copies from the CSLB website, under the Forms and Applications page.

SECTION 1 – BUSINESS NAME AND ADDRESS

Business Name and Addresses, Phone and Email (Boxes 1 and 3)

You must provide the existing business name and addresses as licensed with CSLB, as well as the existing CSLB license number. You are also asked to provide business phone and business fax numbers and a business email address.

- Your business address of record (mailing address) is made available to the public – it is published on CSLB’s website and is used for service of all official correspondence, notices, and orders from CSLB, such as renewal notices. P.O. boxes and private mailboxes (PMB) are acceptable for the address of record.

- Your business street address is used only for CSLB’s internal administrative purposes – it is not published on CSLB’s website. P.O. boxes and PMBs are not acceptable for the business street address.

- You are also asked to provide business phone and business fax numbers and a business email address. Your business phone number is published on CSLB’s website. If you have an email address at which you are currently receiving email, you must provide it. (BPC 7083.2) The email provided will not be part of your public license record. CSLB emails important license updates and changes to the law that may affect your license. All emails CSLB sends to the email address you provided are presumed to be received.
To change your existing license’s business name, you must complete and submit the Application to Change Contractor Business Name (13L-4). In accordance with BPC section 7059.1, the business name for a contractor license must not be misleading in relation to the classification(s) issued to that license and must be compatible with the type of business entity licensed. To change the license’s current address, submit form 13L-30 Application to Change Business or Personnel Address.

**Qualifier Being Replaced (Lines 4 and 5)**

On Line 4, provide the name of the qualifying individual who is being replaced on the license and the exact date of disassociation if there is a set date of disassociation.

If the disassociating qualifier will remain on the license as an officer, manager, or member, you must check the box on Line 5a. Upon approval of the new qualifier, the position of the former qualifier will be updated on CSLB records to be an officer, manager, or member, based on their current qualifier position (i.e., a responsible managing officer will become an officer, a responsible managing manager will become a manager, and a responsible managing member will become a member). However, if there is a specific date that the former qualifier stepped down as the qualifier and became an officer, managing, or member on the license, be sure to also indicate the exact date of disassociation in Box 4b. In such cases, the position of the former qualifier will be revised effective that date, and the 90-day period for replacing the qualifier will begin on that date.

If the disassociation of the former qualifier will not take place until the new qualifier is approved, you must check the box on Line 5b. In such cases, do not indicate an exact date of disassociation in Box 4b; instead enter “N/A” in that field.
APPLICATION FOR REPLACING THE QUALIFYING INDIVIDUAL
General Information and Instructions (continued)

Classification(s) Requested (Box 2)
You must indicate in Box 2 which classifications the new qualifier will be qualifying for the licensee. If the license currently holds multiple classifications that have been qualified by one individual and one individual will be serving as the new qualifier on the license, you may use one application – be sure to include every classification that will be qualified by the new qualifier. Any existing classifications not listed on the application will be removed from the license, unless you check the box on Line 5c indicating that the existing qualifier will continue to qualify the remaining classifications. If the sole former qualifier will be replaced by multiple new qualifiers for multiple classifications, use one application for each new qualifier and pay $230 per new qualifier, and be sure to request all existing classifications.

SECTION 2 – NEW CLASSIFICATION QUALIFYING INDIVIDUAL FULL LEGAL NAME AND ADDRESS
The terms “qualifying individual” and “qualifier” are used interchangeably. The qualifying individual is the person who meets the experience and examination requirements for the license and who is responsible for exercising supervision and control of their employer’s or principal’s construction operations to secure compliance with CSLB’s laws, rules, and regulations. (BPC section 7068.1 (a)) “Supervision and control” means “direct supervision or control” or monitoring and being available to assist others to whom “direct supervision and control” has been delegated. “Direct supervision or control” means supervising construction, managing construction activities by making technical and administrative decisions, checking jobs for proper workmanship, and/or supervision on construction sites.

A qualifying individual is required for every classification on every license issued by CSLB. The qualifying individual may or may not be the owner of the business.
APPLICATION FOR REPLACING THE QUALIFYING INDIVIDUAL

General Information and Instructions (continued)

You must complete the personnel information requested in Section 2 of the application for the new qualifying individual on the license.

- **Line 5 – Full legal names are required.** You must provide the full legal name of the new qualifier. If the individual does not have a middle name, write “None” or “No Middle Name” in the space provided. If they have only an initial for their first or middle name, write “(Initial Only)” after the initial.

- Provide qualifier’s date of birth where requested.

- **All applicants are required to provide their U.S. Social Security number (SSN) or individual taxpayer identification number (ITIN) if an individual does not have an SSN.**

- **Box 6 – You must also provide a residence street address for the new qualifier that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website. P.O. boxes and PMBs are not acceptable for the qualifier’s residence street address.**

- **Line 7 – Please enter any previous or current license numbers held by the new qualifier in the provided box. Also enter the percentage of the existing business owned/held by the qualifier (ranging between zero and 100%), the qualifier’s home phone number, and the qualifier’s driver license number.**

- **Box 8 – Check the appropriate box that identifies the title/position of the new qualifying individual. The title/position must be compatible with the business entity type of the existing license, as currently licensed with CSLB. Please be sure your selected title/position complies with the following:**
  - **Sole owner entity = only a Responsible Managing Employee (RME) can be replaced – see below**
  - **Partnership entity = either Qualifying Partner or RME**
  - **Corporation entity = either Responsible Managing Officer (RMO) or (RME) in accordance with contractors law, every person who is an officer must be listed on the application as an officer of the personnel of record must match those officers listed on SOS records. (BPC 7065 (b)(1))**
  - **Limited liability company (LLC) entity = any one of RMO, Responsible Managing Manager, Responsible Managing Member, or RME – identify the LLC officer title for an RMO, as appropriate. Officers, managers, and members on CSLB license records must match SOS records.**

- **An RME is a bona fide employee** who is permanently employed by the licensee and is actively engaged in the operation of the licensee’s contracting business for at least 32 hours or 80% of the total hours per week such business is in operation, whichever is less.

- **Box 9 – You must print and sign your name and indicate the date below the certification statement at the bottom of Page 1 of the application. Failure to sign your application will result in the application being returned to you for correction. Two signatures are required on the application under certain circumstances – 1) when the new qualifier is an RME and 2) when the new qualifier is an RMO, responsible managing manager, or responsible managing member who is not already an officer, manager, or member of the existing license’s personnel of record.**

SECTION 3 – REQUIRED APPLICATION QUESTIONS

Be sure to include the existing licensee’s business name at the top of the page where requested. **All questions must be answered, unless otherwise indicated, and all requested explanations and documentation must be provided or the application will be returned to the applicant for correction. Failure to thoroughly and accurately complete this section of the application can delay the licensure process or result in denial of the application.**

**Fingerprint Requirement**

Please be sure to read the Important Notice Regarding Convictions on the front of this application packet. All applicants for licensure are required to submit a full set of fingerprints for the purpose of conducting a criminal background check. Fingerprints will be compared to the records of the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) to determine whether a criminal history exists. The new qualifier cannot be approved until CSLB receives fingerprint results from both DOJ and FBI. Even though you may have been fingerprinted previously for an employer or another regulatory body, you will need to undergo the fingerprinting and criminal history check process again specifically for CSLB, unless you have previously fingerprinted for CSLB and the results are still available and active on record with CSLB. California Penal Code section 11142 prohibits criminal history information from being released to any entity other than the requesting agency that you have authorized to receive it.
APPLICATION FOR REPLACING THE QUALIFYING INDIVIDUAL  
General Information and Instructions (continued)

After an application has been accepted by CSLB as complete (also known as “posted”), each individual listed on the application who needs to fingerprint will be sent instructions on the process for obtaining and submitting fingerprints. Individuals in California are required to fingerprint by electronic live scan; individuals outside of California can fingerprint either by electronic live scan in California or by submitting hard card fingerprints that are completed in the applicant’s location, as explained in the instructions that are sent after the application has been posted. For more information, please visit CSLB’s website and view information on the Applicants page.

Translator for Examination (Question 15)
Check the “Yes” box if you have difficulty understanding or reading the English language and you would like to use a translator to read the examination to you. Complete question #15 by listing in what language your translator will read the exam. The translator you choose must be approved in advance by CSLB. If you check the “Yes” box, information will be sent to you regarding the translator process.

If you are licensed in a state and classification recognized by the Board, please have the licensing agency from your state complete a “License Verification Request” form and submit it with this application. The Law and Business Examination will still be required if the applicant has not passed that examination within the last five (5) years. (See CSLB’s website for more information on reciprocity on the Applicants page.)

For other forms of “legal union” not recognized by California, you may submit other documentary evidence of legal union issued by the state that recognizes your legal union for consideration by CSLB in meeting this requirement.

Fees will not be required with this application if all of the above-mentioned requirements are met and all the required documentation are submitted with the application.

Immigration Status Expedites (Question 20)
CSLB will expedite the licensure process for an applicant who immigrated to the United States of America in certain circumstances. Please check the “yes” box to question 20 on this application if:

MISCELLANEOUS INFORMATION

Experience and Examination Information
Applicants for licensure must meet specific experience and examination requirements, as explained below. Waivers of the trade examination may be granted under certain circumstances, as indicated below.

Experience Requirements
To be eligible for licensure, the qualifying individual must have had, within the last 10 years, at least four (4) years of experience in the classification for which they are applying. The experience must be at no less than a journeyman level, or as a foreman, supervising employee, contractor, or owner-builder. A “journeyman” is defined as an experienced worker who is fully qualified (as opposed to a trainee) and is able to perform the trade without supervision, or one who has completed an apprenticeship program. Experience is documented on the Certification of Work Experience form. (T16 CCR section 825)
Examination Eligibility Requirements
The qualifying individual for a contractor license is required to pass a specific trade examination if required (BPC section 7065) unless they meet the requirements for a waiver (see below for information regarding examination waivers). Official CSLB examination study guides are available free of charge on CSLB’s website under the Applicants tab and are mailed to applicants when they are scheduled for exams. These study guides are also available in Spanish.

Re-Examination
If you are required to take an examination, subject to some limitations, you have 18 months after the approval of your application in which to achieve a passing score on the exam(s). During that time, you may take the exam(s) as many times as needed within retesting guidelines. A $100 fee is required each time you reschedule an exam. (See BPC section 7074 for more detailed information on re-examinations.)

Reasonable Accommodation – The Americans with Disabilities Act
In compliance with the Americans with Disabilities Act (ADA), CSLB provides reasonable accommodation for applicants with disabilities that may affect their ability to take the required examinations. Applicants wishing to request reasonable accommodation pursuant to the ADA must complete the Special Accommodation Request for Examination form (available on the Forms and Applications page on CSLB’s website) and submit it to CSLB with the appropriate supporting documentation. In order to make the necessary arrangements to accommodate candidate needs, the form and supporting documentation should be submitted as soon as possible.

Examination Waivers and Exemptions
The examination may be waived if the qualifying individual is currently or has been in the last five (5) years, actively engaged in the construction business and meets specific waiver requirements as mandated by law or has been actively licensed in good standing or has passed the required exams in the classification for which they are applying. (See BPC sections 7065 – 7065.4 for a complete list.)

In addition, the trade examination may be waived if the qualifier meets the requirements for reciprocity, please see CSLB’s website (www.cslb.ca.gov) for more information. If you are licensed in a state and classification recognized by the Board, please have the licensing agency from your state complete a “Request for Verification of License” form and submit it with this application. The Law and Business Examination will still be required if the applicant has not passed that examination within the last five (5) years. (See CSLB’s website for more information on reciprocity on the Applicants page.)

C-22 Asbestos Abatement Contractor License
The C-22 – Asbestos Abatement contractor performs abatement, including containment, encapsulation, or removal, and disposal of asbestos containing construction materials, as defined in Section 6501.8 of the Labor Code, in and on buildings and structures. All work performed and all documentation prepared by an asbestos abatement contractor shall be done in accordance with DOSH regulations and requirements.

The Board shall not issue an asbestos abatement contractor license unless the applicant or contractor is duly registered with DOSH pursuant to Section 6501.5 of the Labor Code or has an active application for registration in process with DOSH. All holders of the C-22 – Asbestos Abatement classification shall have completed DOSH registration training requirements, as contained in Section 1529 of Title 8 of the California Code of Regulations.

You may wish to contact DOSH prior to applying for the asbestos certification or the C-22 – Asbestos Abatement classification to be sure that you understand their requirements for registration since DOSH registration is required in order to perform asbestos-related work. DOSH’s Asbestos Contractors’ Registration Unit (ACRU) can be reached at (916) 574-2993 or ACRU@dir.ca.gov, or you can visit their website at http://www.dir.ca.gov/dosh/ACRU/ACRUhome.htm.

C-47 General Manufactured Housing Contractor License
Prior to obtaining a C-47 – General Manufactured Housing contractor classification, applicants must complete a federally approved initial installer training. Along with your application, please submit a “Certificate of Completion of Training” from a qualified trainer approved by the U.S. Department of Housing and Urban Development (HUD). The license applicant is responsible for ensuring the training program is approved by HUD. Existing C-47 license holders are exempt from the requirement.
Workers’ Compensation and Bond of Qualifying Individual Requirements
If the qualifier for the new classification will be an RME, you must have a Workers’ Compensation Certificate of Insurance on file with CSLB. Exemption from workers’ compensation is not possible if the qualifier is an RME.

The RME qualifier must submit a $25,000 qualifying individual’s bond, unless they were already a qualifier on the existing license and were already bonded. An RME can act as the qualifier on only one active license at a time. If the qualifier is an RME, in addition to the signature of the RME qualifier, this application will also require the signature of an owner, general partner, corporate officer, or an authorized LLC officer, manager, or member. If the qualifier for the new classification will be an RMO or a responsible managing manager or member who owns less than 10% of the voting stock or membership interest in the existing business, they must submit a $25,000 qualifying individual’s bond, unless they were already a qualifier on the license and were already bonded. No person can act as the qualifier for more than one individual or firm unless: 1) there is common ownership of at least 20% of the equity of each business for which they act as the qualifier; 2) the additional firm is a subsidiary of or joint venture with the first (“subsidiary” means any business at least 20% of the equity is owned by the other business); or 3) the majority of officers, partners, or managers of the firms are the same. In such cases, a qualifying individual may act as the qualifier for no more than three (3) firms in any one-year period.

For information on bonds, refer to A Guide to Contractor License Bonds, available on CSLB website under the Resources tab and then choose CSLB Publications. (BPC section 7071.9)

LLC Liability Insurance Requirement
If the existing license is an LLC, please be aware that all LLC licenses are required to have liability insurance in an amount that is not less than one million dollars ($1,000,000) or more than five million dollars ($5,000,000), based on the number of personnel of record on the license. For five (5) or fewer personnel, the amount is not less than $1 million. For each additional member of the personnel, the amount increases $100,000, up to $5 million maximum. For example, an LLC that has eight (8) personnel would be required to carry a $1,300,000 liability insurance policy. Therefore, if the replacement of the qualifier will increase the number of personnel on the license (by adding a new qualifier), the amount of the liability insurance may also need to increase. (BPC section 7071.19)

Construction Management Education Account
A grant program was established in 1991 to provide funds for qualified public post-secondary schools that teach construction management. Applicants may voluntarily contribute to the account when paying the application fee or the license renewal fee. If you would like to make a voluntary contribution, please mark the box on the top portion of Page 1 of the application, write in the dollar amount in the space provided, and include that dollar amount in the total amount paid with your application, or submit a separate check or money order made payable to CSLB/Construction Management Education Account. (See BPC sections 7139.2 and 7139.4.)

Collection of Social Security Numbers, Individual Taxpayer Identification Numbers, and Federal Employer Identification Numbers
With the exception of the driver license number, all information requested on the application is mandatory, including disclosure of U.S. Social Security numbers (SSN), individual taxpayer identification numbers (ITIN), and federal employer identification numbers (FEIN). Collection of the SSN, ITIN, and FEIN is authorized by BPC sections 30, 31, and 7145.5.
