

IMPORTANT NOTICE

Dear Applicant:

Enclosed is the application from the Contractors State License Board (CSLB).

Please be aware that nearly half of all applications submitted to CSLB are inaccurate or incomplete and must be returned for correction.

Please complete your application in its entirety to ensure that your application is accepted for processing by CSLB.

After an application has been accepted by CSLB as complete (also known as “posted”), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, as required by law. (*Business and Professions Code sections 144 and 7069*)

After posting, an application may still be randomly investigated by the registrar for additional verification of statements made for the applicant on the experience claimed. (BPC section 7068 and T16 CCR 824)

An incomplete application can needlessly delay your license. Delays can last several weeks or even months and possibly result in the application being deemed abandoned and becoming void and the application fee being forfeited. (*Business and Professions Code sections 7074 and 7138 and Title 16, California Code of Regulations section 813*)

Spending a few extra minutes now may save you weeks or months later!

Before you submit your application, follow these simple directions.

- **Sign the form.**
- **Fill out all applicable information.**
- **Make sure you submit Certification of Work Experience forms that have been filled out completely, ensuring that you have provided four (4) years of applicable experience in the classification for which you are applying.**

Carefully read the General Information and Instructions that immediately precede the application package and follow the specific instructions that are contained throughout the application to help ensure that your application is complete and accurate.

Please be aware that there are no schools or application preparation organizations that are affiliated with or agents of CSLB, although some may have company names that are confusingly similar to CSLB. If you discover that an organization has misrepresented itself as being associated with CSLB, you should submit a complaint to CSLB or the California Department of Consumer Affairs. However, official CSLB examination study guides are available free of charge on CSLB’s website.

IMPORTANT NOTICE REGARDING CONVICTIONS PLEASE READ CAREFULLY

As part of the Contractors State License Board (CSLB) application process and as required by law, the applicant must be fingerprinted if they have not been fingerprinted by CSLB before or if the applicant's previous fingerprint record was purged by CSLB due to a voided application; disassociated, revoked, or cancelled license or registration; or for some other reason. After an application is accepted by CSLB as complete (also known as "posted"), the applicant will be sent instructions on the process for obtaining and submitting fingerprints, usually via live scan electronic transmission.

The applicant's fingerprints will be compared to the records of the California Department of Justice and the Federal Bureau of Investigation. **If an applicant has ever been convicted of a crime, their criminal record information will be reported to CSLB.** This includes DUIs and other Vehicle Code violations resulting in a conviction. Even if you pled "no contest," had the conviction set aside, or judgment deferred pursuant to Penal Code sections 1000 or 1203.4 (commonly understood as "expunged"), the past conviction will still be reported to CSLB.

Under certain circumstances, CSLB may request that an applicant provide mitigating information regarding their criminal history by completing and submitting the Disclosure Statement Regarding Criminal Plea/Conviction form that is available on CSLB's website on the Forms and Applications page. CSLB's Criminal Background Unit will contact the applicant if it is requesting this additional information. If so, the applicant can complete the disclosure and send an email scan of it to CBU@cslb.ca.gov or fax to 916-255-4135. Please note, completing the form or any other disclosure of mitigating evidence is voluntary, and the applicant may choose not to disclose any information. An applicant's choice not to disclose information shall not be a factor in a board's decision to grant or deny an application for licensure. (See Bus. & Prof. Code, § 480(f)(2)).

Applicants with criminal convictions are not automatically denied licensure – each applicant is reviewed individually based on the applicable sections of law. When reviewing criminal convictions, CSLB considers factors such as the nature and severity of the crimes, the amount of time that has passed since the convictions, and any evidence of rehabilitation submitted by the applicant. CSLB has several regulations to review criminal convictions, including Title 16 of the California Code of Regulations sections 868, 868.1, and 869. Section 868 guides how to evaluate whether a crime is substantially related to the qualifications, duties, or functions of a licensee or registrant. Section 868.1 guides whether a felony financial crime is directly and adversely related to the fiduciary qualifications, duties, or functions of a licensee or registrant; and Section 869 guides whether an applicant has made a showing of rehabilitation.

For rehabilitation evaluation, in addition to other evidence of rehabilitation, CSLB is generally looking at how much time has passed since the conviction without further violations of law.

General Information and Instructions

GENERAL INFORMATION

Listed below is general information to assist you as you complete the attached application. Detailed instructions are also provided that address the content of the application section by section. Please refer to the Applicants page on the Contractors State License Board's (CSLB) website (www.cslb.ca.gov) for more detailed information about the licensing process.

Do not submit this General Information and Instructions portion with your completed application – the actual application begins immediately following this section on Application – Page 1 of 4 and includes the Certification of Work Experience and the Owner-Builder B-General Building Construction Project Experience form, if needed. Before you submit your application, please review and be sure you have complied with the following items.

- **Enclose the nonrefundable \$450 application fee with your completed application for licensure in a single classification.** CSLB cannot process your application without the appropriate fee made payable to the Registrar of Contractors. The initial license fee (\$200 for sole owner and \$350 for non-sole owner) should be submitted separately after you pass the examination. If approved for the military expedite and initial license fee reduction provision (see instructions under Military), these initial license fees will be reduced by 50%. (*Business and Professions Code [BPC] sections 7137 and 7138*) **Examination fees are paid directly to CSLB's approved testing vendor when the examinations are scheduled.**
- **Your application may be returned to you if it is insufficient or incomplete.** You must provide any missing information, make corrections, and resubmit your completed application to CSLB within **90 days** after the date that it was returned to you, or your application will be deemed abandoned and become void. You cannot reinstate an abandoned application – you must submit a new application and \$450 application fee if you wish to pursue licensure. (*BPC 7074 and Title 16, California Code of Regulations [16 CCR] section 813*)

Complete the application and all accompanying forms legibly in black or dark blue ink or on CSLB's website using the Easy-Fill feature. Please make sure that you and other authorized individuals sign and date the forms, where applicable.

- **Leave no space blank.** If a particular question or request for information does not apply to you, write "N/A" in the blank space to indicate that you have read the question and determined that it is not applicable.
- The "#" symbol is used interchangeably with the word "number" where space is limited on the application.
- If you need additional copies of forms (e.g., Certification of Work Experience, Section 4 – Personnel Full Legal Names and Addresses), please make copies of the blank forms before you begin or print additional copies from the CSLB website under the Forms and Applications page.

SECTION 1 – BUSINESS NAME AND ADDRESS

Business Name Styles (Box 1)

In accordance with BPC section 7059.1, the business name for a contractor license **must not be misleading in relation to the classification(s) issued to the license and must be compatible with the type of business entity licensed** (see *Section 2 on next page*). For example, it would not be acceptable for ABC123 Tile to apply for a C-10 Electrical contractor license, but it would be acceptable for ABC123 Construction to apply for a B-General Building contractor license or for ABC123 Tile to apply for a C-54 Ceramic and Mosaic Tile contractor license. In addition, it would not be acceptable for a sole ownership or proprietorship to use the words "partners" or "incorporated" in its business name.

Business Addresses, Phone and Email (Boxes 3a – 3c)

- You **must** provide an address of record (mailing address) for your business that will be made available to the public if you become licensed. This address will be published on CSLB's website and will also be used for all official correspondence, notices, and orders from CSLB, such as renewal notices. P.O. boxes and private mailboxes (PMB) are acceptable for the address of record.
- You **must also** provide a business street address that will be used only for CSLB's internal administrative purposes – it will not be published on CSLB's website. P.O. boxes and PMBs are **not** acceptable for the business street address.

Please detach this General Information and Instructions portion before submitting the completed application package to CSLB.

APPLICATION FOR ORIGINAL CONTRACTOR LICENSE

General Information and Instructions *(continued)*

CSLB emails important license updates and changes to the law that may affect your license. All emails CSLB sends to the email address you provided are presumed to be received.

SECTION 2 – BUSINESS ENTITY (Box 4)

Applicants must designate their business entity. Below is information on the five business entity types that are covered by this application. Contractor licenses are also issued to joint ventures – such applicants must submit the separate Application for Joint Venture License, available at CSLB's website on the Forms and Applications page.

Corporations and LLCs must be registered and in good standing (not suspended or otherwise restricted) with California Secretary of State (SOS) in order to be licensed and remain licensed with CSLB. California SOS can be reached by calling (916) 653-6814 or by visiting their website at www.sos.ca.gov. Applicants who wish to change their business entity after the application is posted should withdraw their application and submit a new one.

Check the "Sole Owner" box if the business is owned by only one individual person and is not a corporation or an LLC.

Please detach this General Information and Instructions portion before submitting the completed application package to CSLB.

General Information and Instructions *(continued)*

Partnership

Check the “Partnership” box if the business is a partnership. Partnerships must provide their federal employer identification number (FEIN), which is available from the U.S. Internal Revenue Service (IRS). The IRS can be reached by calling (800) 829-1040. Personal Social Security numbers are **not** acceptable for the FEIN. Limited Partnerships must be registered with the California SOS and in good standing prior to being issued a contractor license.

Corporation

Check the “California Corporation” box if the business is a corporation. Corporations must be registered with the California SOS and in good standing prior to being issued a contractor license. Corporations must provide a current and active California SOS registration number where indicated in Section 2 of the application.

Limited Liability Company

Check the “Limited Liability Company” box if the company is a limited liability company. LLCs must be registered with the California SOS, must be in good standing, and have filed their statement of information prior to being issued a contractor license. LLCs must provide a current and active registration number where indicated in Section 2 of the application.

If your business entity is an LLC, before you submit your application, please be aware that the following additional requirements apply to LLC licenses (*please refer to CSLB’s website for more information*):

- **\$100,000 Surety Bond.** LLC licenses are required to file a \$100,000 surety bond (in addition to the \$25,000 contractor’s bond) for the issuance, reissuance, reinstatement, reactivation, and renewal of an LLC license for the benefit of any employee or worker damaged by the LLC’s failure to pay wages, interest on wages, or fringe benefits, as well as other contributions. (*BPC sections 7071.6 and 7071.6.5*)
- **\$1 Million Liability Insurance Minimum.** LLC licenses are required to carry liability insurance with the aggregate limit of \$1 million for licensees with five or fewer persons and/or companies listed as personnel of record, plus an additional \$100,000 required for each additional personnel, not to exceed \$5 million total. (*BPC section 7071.19*)

LLCs may also have additional officers who may not be included on the official California SOS record, but who must be listed on this application and who will become part of the contractor license (*BPC section 7065*).

Tribal Business

Check the “Tribal Business” box if the business is a federally recognized tribe under BPC 7025.1

A tribal business can be verified by submitting any one of the following three documents along with the application.

- A resolution that ratifies the charter for this tribal business under federal law (“IRA Section 17 corporation”).
- A resolution authorizing this tribal corporation under tribal laws (“tribally chartered corporation”).
- Articles of incorporation or by-laws for this tribal corporation.

SECTION 3 – QUALIFYING INDIVIDUAL FULL LEGAL NAME AND ADDRESS

The terms “**qualifying individual**” and “**qualifier**” are used interchangeably. The qualifying individual is the person who meets the experience and examination requirements for the license and who is responsible for exercising **supervision and control** of their employer’s or principal’s construction operations to secure compliance with CSLB’s laws, rules, and regulations. (*BPC section 7068.1 (a)*) “Supervision and control” means direct supervision or control or monitoring and being available to assist others to whom direct supervision and control has been delegated. “Direct supervision or control” means any of the following: supervising construction operations, managing construction activities by making technical and administrative decisions, checking jobs for proper workmanship, and/or supervision on construction sites.

A qualifying individual is required for every classification on every license issued by CSLB. The qualifying individual may or may not be the owner of the business.

APPLICATION FOR ORIGINAL CONTRACTOR LICENSE

General Information and Instructions *(continued)*

You must complete the personnel information requested in Sections 3 and 4 of the application for each individual and company that will be listed on the license.

- **Line 5a – Full legal names are required.** You must provide the full legal name of all personnel that matches their government issued identification. If an individual does not have a middle name, write “None” or “No Middle Name” in the space provided. If an individual has only an initial for their first or middle name, write “(Initial Only)” after the initial.
- Provide qualifier’s date of birth where requested.
- **All** applicants are required to provide their U.S. Social Security number (SSN) or individual taxpayer identification number (ITIN) if an individual does not have an SSN.
- **Box 5b** – You must **also** provide a residence street address for the qualifier that will be used only for CSLB’s internal administrative purposes – it will not be published on CSLB’s website unless it is also the business address. P.O. boxes and PMBs are **not** acceptable for the qualifier’s residence street address.
- **Line 6** – Please enter any previous or current license numbers held by the qualifier in the provided box. Also enter the percentage of the new business owned/held by the qualifier (ranging between zero and 100%), the qualifier’s driver’s license number, and the qualifier’s home phone number.
- **Box 7** – Check the appropriate box that identifies the title/position of the qualifying individual. The **title/position must be compatible with the business entity type**, as entered in Section 2 above. Please be sure your selected title/position complies with the following:
 - Sole owner entity** = either Owner or Responsible Managing Employee (RME) – see below
 - Partnership entity** = either Qualifying Partner or RME
 - Corporation entity** = either Responsible Managing Officer (RMO) or RME
 - LLC entity** = any one of RMO, Responsible Managing Manager, Responsible Managing Member, or RME
 - Tribal Business entity** = either RMO or RME
- An **RME is a bona fide employee** who is permanently employed by the applicant and is actively engaged in the operation of the applicant’s contracting business for at least 32 hours or 80% of the total hours per week such business is in operation, whichever is less.
- **Box 8** – You **must** print and sign your name and indicate the date below the certification statement at the bottom of Page 1 of the application. Failure to sign your application will result in the application being returned to you for correction.

SECTION 4 – PERSONNEL FULL LEGAL NAMES AND ADDRESSES (Other than Qualifying Individual)

You must complete the personnel information requested in Section 4 of the application for each individual and company that will be listed as personnel on the license, other than the qualifier listed in Section 3. Be sure to include the applicant’s business name at the top of the page where requested.

- See Section 3 above for instructions on how to complete the specific fields of this section. If more than four (4) personnel must be reported, please make a copy of the blank form. All personnel **must** print and sign their names below the certification statement and include the date that the form was signed.
- Every person who is an officer, member, responsible manager, or director of a corporation, tribal business, or limited liability company seeking licensure under this chapter shall be listed on the application as a member of the personnel of record. (BPC 7065 (b) (1))
- LLCs can have managers or members that are corporations or other LLCs, as opposed to individual people. When an LLC has corporate or LLC managers or members, complete Section 4 for those companies, omitting the fields that do not apply (e.g., date of birth, SSN/ITIN, and driver license number). Since corporations and LLCs are incapable of signing documents (e.g., applications, renewals, etc.), you must also report at least one individual person who will be an authorized signer for that company. To do this, you must complete a portion of Section 4 using this individual person’s personal information. Identify that person as the “Authorized Signer for _____” (inserting the name of the corporation or LLC on behalf of which the individual person will sign). This individual person will not be part of the official license personnel of record (unless they are also an actual responsible manager, member, or officer of the applicant LLC), but their information will be maintained by CSLB for signing purposes only.

Please detach this General Information and Instructions portion before submitting the completed application package to CSLB.

General Information and Instructions *(continued)*

SECTION 5 – REQUIRED APPLICATION QUESTIONS

Be sure to include the applicant's business name at the top of the page where requested. **All** questions must be answered, unless otherwise indicated, and all requested explanations and documentation must be provided, or the application will be returned for correction. Failure to thoroughly and accurately complete this section of the application can delay the licensure process or result in denial of the application.

Fingerprint Requirement

Please be sure to read the Important Notice Regarding Convictions on the front of this application packet. All applicants for licensure are required to submit a full set of fingerprints for the purpose of conducting a criminal background check. Fingerprints will be compared to the records of the California Department of Justice (DOJ) and the Federal Bureau of Investigation (FBI) to determine whether a criminal history exists. Your license will not be issued until CSLB receives fingerprint results from both DOJ and FBI. Even though you may have been fingerprinted previously for an employer or another regulatory body, you will need to undergo the fingerprinting and criminal history check process again specifically for CSLB. California Penal Code section 11142 prohibits criminal history information from being released to any entity other than the requesting agency that you have authorized to receive it.

After an application has been accepted by CSLB as complete (also known as "posted"), each individual listed on the application who needs to fingerprint will be sent instructions on the process for obtaining and submitting fingerprints. Individuals in California are required to fingerprint by electronic live scan; individuals outside of California can fingerprint either by electronic live scan in California or by submitting hard card fingerprints that are completed in the applicant's location, as explained in the instructions that are sent after the application has been posted. Please note that submitting hard card fingerprints can significantly delay the licensure process due to the extra processing needed at DOJ and FBI. For more information, please visit CSLB's website and view information on the Applicants page.

Translator for Examination (Question 15)

Check the "Yes" box if you have difficulty understanding or reading the English language and you would like to use a translator to read the examination to you. Complete question #15 by listing in what language your translator will read the examination. The translator you choose must be approved in advance by CSLB. If you check the "Yes" box, information will be sent to you regarding the translator process. Some of CSLB's examinations have been translated into Spanish. If the applicant selects "Spanish" as their preferred language and there is an examination available in that language, they will be scheduled for that examination.

SECTION 6 – QUALIFIER EDUCATION, APPRENTICESHIP, LICENSURE, AND MILITARY SERVICE

Education and Apprenticeship (Question 16)

CSLB may grant up to three years of credit toward the four-year experience requirement for completed training in an accredited school and/or apprenticeship program in the construction trade for which the applicant is applying. (*T16 CCR section 825*). For formal education, request a certified official transcript from the applicant's educational institution. Include the sealed official transcript with the application when submitting. Degrees obtained outside of the United States must be translated, if in a language other than English, and evaluated by an accredited evaluation service in the U.S. before being submitted to CSLB.

For apprenticeship programs, the applicant must submit a copy of their apprenticeship certificate and indicate the dates of the program where requested on the application.

Please see CSLB's website (www.cslb.ca.gov) for more information. If you are licensed in a state and classification recognized by the Board, please have the licensing agency from your state complete a "License Verification Request" form and submit it with this application. The California Law and Business Examination will still be required if the applicant has not passed California Law and Business Examination within the last five (5) years. (See *CSLB's website for more information on reciprocity and the current states and recognized classifications on the Applicants page under How to Apply/Apply for Reciprocity/Reciprocity Requirements.*)

(Submit a License Verification Request form (13L-25) with the application that has been completed by the licensing agency from the licensing state.)

B-2 Residential Remodeling Trade Exam Waiver (Question 19)

Applicants who are seeking licensure in California for the B-2 Residential Remodeling Contractor classification and who are licensed in the same classification in another state may be eligible for a waiver of the trade examination. CSLB may grant credit toward licensure requirements for applicable work experience and training received while the applicant was an active-duty member of the Armed Forces of the United States performing duties in the classification for which they are applying. This work experience and training must be reported on a Certification of Work Experience form and must be supported by acceptable documentation. - An order from a court of competent jurisdiction or other documentary evidence that provides reasonable assurance that the applicant qualifies for expedited licensure.

MISCELLANEOUS INFORMATION

Experience and Examination Information

Applicants for licensure must meet specific experience and examination requirements, as explained below. Waivers of the trade examination may be granted under certain circumstances, as indicated on the next page. **If you qualify for examination waiver or exemption, do not use this application** – please instead use the Application for Original Contractor License – Waiver (7065) (form 13A-1A).

Experience Requirements

To be eligible for licensure, the qualifying individual must have had, within the last 10 years, at least four (4) years of experience in the classification for which they are applying. The experience must be at no less than a journeyman level, or as a foreman, supervising employee, contractor, or owner-builder. Owner-builder experience can only be used to qualify for a B-General Building classification, and certain requirements must be met. Please see the general information page of the Certification of Work Experience form for more information. A “journeyman” is defined as an experienced worker who is fully qualified (as opposed to a trainee) and is able to perform the trade without supervision, or one who has completed an apprenticeship program. **Experience is documented on the Certification of Work Experience form. (T16 CCR section 825)**

Examination Eligibility Requirements

The qualifying individual for a contractor license is required to pass the written Law and Business Examination and a specific trade examination if required (BPC section 7065) unless they meet the requirements for a waiver (see next page for information regarding examination waivers). These examinations are administered by an approved testing vendor and fees for the examinations are paid directly to the vendor by the applicant. Information about scheduling examinations will be mailed to you once the application is posted. Official CSLB examination study guides are available free of charge on CSLB’s website under the Applicants tab. These study guides are available in English and Spanish.

Re-Examination

If you are required to take an examination, subject to some limitations, you have 18 months after the approval of your application to achieve a passing score on the examinations(s). During that time, you may take the examinations(s) as many times as needed within retesting guidelines. These re-examinations are administered by an approved testing vendor and the fee for the re-examinations are paid directly to the vendor by the applicant each time you reschedule an examination. Scheduling re-examinations will be done through their PSI Exams account. If a candidate fails one or both of their examinations, they must go to their PSI account to select the date, time, and location for their next examination. Candidates must wait 21 days after taking an examination before they may try it again. *(See BPC section 7074 for more detailed information on re-examinations).*

Reasonable Accommodation – The Americans with Disabilities Act

In compliance with the Americans with Disabilities Act (ADA), CSLB provides reasonable accommodation for applicants with disabilities that may affect their ability to take the required examinations. Applicants wishing to request reasonable accommodation pursuant to the ADA must complete the Special Accommodation Request for Examination form (available on the Forms and Applications page on CSLB's website) and submit it to CSLB with the appropriate supporting documentation. In order to make the necessary arrangements to accommodate candidate needs, the form and supporting documentation should be submitted as soon as possible. As soon as the reasonable accommodation is approved, candidates may contact PSI Exams to schedule and pay for their examination(s).

Examination Waivers and Exemptions

The examination may be waived if the qualifying individual is currently or has been in the last five (5) years, actively engaged in the construction business and meets specific waiver requirements as mandated by law or has been actively licensed in good standing or has passed the required examinations in the classification for which they are applying. *(See BPC sections 7065 – 7065.4 for a complete list.)* If you are applying for licensure based on waiver of or exemption from the trade and Law and Business examinations, you should complete the Application for Original Contractor License – Examination Waiver (7065) instead of this application.

In addition, the trade examination may be waived if the qualifier meets the requirements for reciprocity. Please see CSLB's website (www.cslb.ca.gov) for more information. If you are licensed in a state and classification recognized by the Board, have the licensing agency from your state complete a "License Verification Request" form and submit it with this application. The Law and Business Examination will still be required if the applicant has not passed that examination within the last five (5) years. *(See CSLB's website for more information on reciprocity on the Applicants page.)*

Random Application and Experience Review

By law, CSLB must randomly review three percent (3%) of applications, including the experience claimed on Certifications of Work Experience forms that must be verifiable through payroll records or similar documents. In the event that your application is selected for review, please see CSLB's website for a Summary of Acceptable Documentation *(located at CSLB's website on the Applicants page)* that may be submitted to CSLB to support claimed experience. In addition, CSLB staff may contact the certifier of experience or other parties to verify experience. *(BPC section 7068 and T16 CCR 824)*

C-22 Asbestos Abatement Contractor License

The C-22 – Asbestos Abatement contractor performs abatement, including containment, encapsulation, or removal, and disposal of asbestos containing construction materials, as defined in Section 6501.8 of the Labor Code, in and on buildings and structures. All work performed and all documentation prepared by an asbestos abatement contractor shall be done in accordance with DOSH regulations and requirements.

The Board will not issue an asbestos abatement contractor license unless the applicant or contractor is duly registered with DOSH pursuant to Section 6501.5 of the Labor Code or has an active application for registration in process with DOSH. All holders of the C-22 – Asbestos Abatement classification must have completed DOSH registration training requirements, as contained in Section 1529 of Title 8 of the California Code of Regulations.

You may wish to contact DOSH before applying for the asbestos certification or the C-22 – Asbestos Abatement classification to be sure that you understand their requirements for registration since DOSH registration is required in order to perform asbestos-related work. DOSH's Asbestos Contractors' Registration Unit (ACRU) can be reached at (916) 574-2993 or ACRU@dir.ca.gov, or you can visit their website at <http://www.dir.ca.gov/dosh/ACRU/ACRUhome.htm>.

Along with your application, please submit a "Certificate of Completion of Training" from a qualified trainer approved by the U.S. Department of Housing and Urban Development (HUD). Bond, Insurance, and Other Licensure Requirements

All contractors must meet specified bond, insurance, and other requirements for licensure with CSLB, as indicated below. Failure to maintain a required bond or insurance may result in the suspension of the license. Bonds may be submitted to CSLB electronically by the issuing surety company.

Contractor's Bond

All contractors must have a \$25,000 contractor's bond on file with CSLB. (*BPC section 7071.6*)

Bond of Qualifying Individual

An **additional** \$25,000 qualifying individual's bond must be filed for **all** contractors that are qualified by an RME, or under certain other circumstances for corporate and LLC contractors when the qualifying individual (RMO, responsible managing manager, or responsible managing member) holds less than 10 percent of the voting stock of the corporation or membership interest in the LLC. (*BPC section 7071.9*). Tribal businesses are exempt from this specific requirement.

LLC Employee/Worker Bond

All LLC licenses are required to have an **additional** \$100,000 employee/worker bond on file with CSLB for the benefit of workers employed by or contracted to work for an LLC. (*BPC section 7071.6.5*)

It is also required for all contractors applying for the C-8 Concrete, C-20 Warm-Air Heating, Ventilating, and Air Conditioning, C-22 Asbestos Abatement, C-39 Roofing, and C-61/D-49 Tree Service classifications, whether or not they have any employees. The Certificate of Insurance must be issued in the business name shown on this application. Contractors that have no employees and are not otherwise required to have workers' compensation insurance must complete the Exemption from Workers' Compensation form, available on CSLB website's Forms and Applications page. (*BPC section 7125*)

LLC Liability Insurance

All LLC licenses are required to have liability insurance in an amount that is not less than one million dollars (\$1,000,000) or more than five million dollars (\$5,000,000). The amount is determined based on the number of personnel of record on the license. For five (5) or fewer personnel, the amount is \$1 million. For each additional member of personnel, the amount increases by \$100,000, up to a maximum of \$5 million. For example, an LLC that has eight (8) personnel would be required to carry a \$1,300,000 liability insurance policy. (*BPC section 7071.19*)

Asbestos Open Book Examination

All qualifiers must complete the Asbestos Open Book Examination as part of the licensure process. Information about this examination and the link to take it can be found on CSLB's website at www.cslb.ca.gov. (*BPC section 7058.5*) Completion of this required open book examination does not authorize the licensee to engage in asbestos-related work.

If the qualifier has previously been licensed, it may be possible to have the previous license number reissued or reassigned under certain circumstances. Sole owner numbers may be reissued to corporations or LLCs, and corporate license numbers may be reissued to LLCs. To request the reissuance of a license number, the applicant must complete and submit with their application the Request for License Number Reissuance form (13A-1h), available on the Forms and Applications page on CSLB's website. 10. To the best of your knowledge, is anyone listed on this application (or any company the person is or was a part of) named in or responsible for any unsatisfied final judgments, liens, and/or claims against any bond or cash deposit pertaining to a construction project?

Yes No

If you checked "Yes" for this question, you are required to attach a statement identifying all judgments (pending or on record), liens, past due unpaid bills, claims, or suits and a detailed explanation of the situation. Include the names and addresses of the parties involved. If the obligation was or is being discharged in bankruptcy, attach a copy of the bankruptcy filing and a copy of the creditors list.

Yes No

For the purposes of responding to this question, "disciplined" is an administrative action that resulted in a restriction or penalty being placed on any license you have or have possessed, such as a revocation, suspension, probation, or reprimand.

Yes No

If you checked "Yes" for this question, you are required to attach a statement regarding the outstanding liabilities. In relation to BOE liabilities, you must indicate if you have entered into an installment payment agreement for that liability with the BOE and provide verification that you are in compliance with the terms of that agreement, if applicable.
